### About...

*"I'm starving! Do you have anything to eat?!"* With those words, St. Anthony's Youth Center was established! It is our way here at the Church of Saint Anthony of Padua, in the spirit of our patron saint, of keeping our hungry teens well fed in both body and soul.

### Papa's Specials...

*Here is a little more information about our menu features:*

**Camp Wildfire:** Our camp usually takes place around the second week in July. Please sign up as soon as possible so we can save you a spot! It is a nice opportunity for young people to enjoy summer activities in a faith filled environment.

**G.A.P. (God and Pizza):** is a youth faith formation program for teens that nourishes both the body and soul with a slice of pizza and faith served with a variety of toppings and topics at each meeting. Learning takes place in an interactive and dynamic style through discussion, question and answer, media presentations, guest speakers, debate, music, drama/skits, and prayer. G.A.P. is a way to continue faith formation through the high school years outside of the classroom environment. We usually meet twice a month on Sundays.

**G.A.S. (God & Sports):** provides the opportunity for sports, games, trips to sporting events, and other athletic activities in combination with a blend of spirituality and awareness of athletes who model Catholic values. Open gym days/times will be made available at scheduled times and upon request. CYO basketball will begin here at St. Anthony's in the fall.

**Ministries at Mass:** We can use your help as an altar server, reader, music minister, and/or usher! Training will be provided.
