FLOCKNOTE

We at St. Ann's and Holy Spirit Chapel recognizes the importance of our parish family. For the past two years we have been using the FLOCKNOTE free messaging service to communicate a variety of information to the parish (and specific parish groups) via texts and email.

During this time when Masses and other parish activities have been suspended and schedules re-arranged, we would like to use FLOCKNOTE to continue to communicate practical information and spiritual encouragement. We are inviting all parishioners to join this free service.

Please visit our website (<https://saintannmamou.org>) to sign up to receive regular messages from the Parish Office. Just look for the icon below, fill in the information, and that's it!

Thank You

I would like to thank those who responded to the call to give of their time as volunteers to help us as we move back indoors for our worship. "Service" is a BIG part of our Christian Vocation, and it's wonderful to see people give so generously with their time. Of course, we could always use more volunteers! Thanks again!!

ONLINE GIVING

While the handling of paper items like checks and cash is not the primary way that the virus travels, it is still possible to become infected if someone touches a paper product and then touches their eyes, nose, mouth, or other parts of their face. Even without coronavirus, cash and checks carry many other germs.

At St. Ann's and Holy Spirit Chapel we are encouraging all of our parishioners and benefactors to make use our online giving option for their offerings. We have worked hard to make online giving as painless as possible, and our parish office can assist you should you need.

To sign up for online giving, visit the parish website at <https://saintannmamou.org> and "click" the DONATIONS button, then follow the steps until you are done.

We thank you in advance for considering using online giving to make your offerings!
