Man of dreams

The Holy Father **POPE FRANCIS** explored St. Joseph's capacity to dream, saying he was a practical man but kept his heart open like "a man of dreams" and not like "a dreamer".

"Dreams are a privileged place to seek after truth, because there we cannot defend ourselves against the truth. They come, and God speaks through dreams. Not always, because often it is our subconscious that comes forth, but many times God chooses to speak through dreams. He often did so in the Bible. But Joseph was a man of dreams, but not a dreamer, okay? He wasn't abstract. A dreamer is something different. It's someone who believes... goes off... has his head in the clouds, and doesn't have his feet on the ground. Joseph had his feet on the ground. But he was open-minded."

Don't lose the ability to dream

Finally, Pope Francis invited us not to lose the ability to dream and to open ourselves to tomorrow with trust, despite the difficulties that may come.

"Don't lose the ability to dream the future. Each of us needs to dream about our family, our children, and our parents: to imagine how I would like their lives to go. Priests, too, need to dream about what we want for the faithful. Dream as the young dream, who are 'unabashed' in their dreams and find their path there. Do not lose the ability to dream, because to dream is to open the door to the future. Be fruitful in the future."

INTEGRITY RESTORED

Our mission at **INTEGRITY RESTORED** is to help restore the integrity of individuals, spouses, and families that have been affected by pornography and pornography addiction. Integrity Restored provides education, training, encouragement, and resources to break free from pornography, heal relationships, and to assist parents in preventing and responding to pornography exposure which is so devastating in the lives of our children. We are also a resource that trains and helps clergy in assisting families at the parish level, so that the domestic church truly becomes what it is, the human space in which we encounter Christ.

Please visit the Integrity Restored website (www.integrityrestored.com) to learn more about the effects of pornography on the family, and what you can do to help yourself or a family member.
