Dear Brothers and Sisters,

The scriptures we read throughout this Easter Season continue to remind us that this is a time of renewal which sparks a resounding joy in each of our hearts. That joy was reflected in the dramatic number of new Christians who were drawn to the faith in Jesus Christ. Just as the early church grew, we too are witnessing the growth and renewal of our Family of Parishes. This weekend in Zurich, we welcome Samantha Masse into the Catholic Church through the waters of Baptism and next weekend in Mount Carmel, we will welcome Andrea Barnes into the Catholic Church also through the waters of Baptism.

Indeed, God is making all things new, including our Family of Parishes! Here's a look at the vision and renewal that God is encouraging us to recognize despite the pandemic which has affected everyone's lives.

During the recent pandemic, home renovations had increased by almost 50 percent in some areas! Perhaps you were among those who kept construction workers employed during the pandemic. Of course, many people were spending all their time at home and finally decided it was time to renovate that particular room in the house they had imagined changing for many years.

Renovation means making something new! Many imagined having a new kitchen, a new bath or a new deck...something which would renew our home. Yet, not only do we find that our homes need renovating, but really every aspect of our world, our lives and our parishes! In the Book of Revelation, John has a vision of a new earth, a new heaven and a new Jerusalem! JOHN IS DESCRIBING GOD'S DREAM FOR ALL CREATION! So I wish to offer you a vision of a new world, new lives and even a new parish!

John, inspired by the Holy Spirit, is using his imagination as he writes this vision of renewal! He imagines a new EARTH..... its landscape has been renovated or renewed. The old (landscape) laminate countertop has been torn away and replaced with a granite countertop. It's a natural, strong and lasting countertop which would inspire any chef creating in the kitchen. Imagine the possibilities for our earth. ....cutting emissions, reducing waste, renewable energy, and more people driving

electric vehicles. But there's more..... Jesus says, I have a new ingredient for you to create with....it's LOVE! Imagine if we spent more time showing this LOVE to our earth like our Indigenous brothers and sisters who have been doing so for years!

Imagine renovating our LIVES.....seeing ourselves as the saints God has called us to be! But first we must tear down the old cupboards where we have kept sin, resentment and division before we can renovate our hearts and fill them with joy, mercy and a new command to LOVE! Imagine the new cupboards (our hearts) so immaculate like the day when we were first baptized! Now the new cupboards could store Jesus .....much like Mary, our mother. She was a tabernacle! We would become human beings capable of expressing divine love! We would possess a pure love that expresses no judgment, no selfishness, no division and no resentment. We would be new saints; new members of the Communion of Saints praising and worshipping God!

Imagine renovating our PARISH; seeing ourselves as new the Jerusalem; united together; one in Christ! John sees a new Jerusalem coming down from heaven! Can we see a new Parish which also comes down from heaven? If yes, then first we may need to tear down the old staircase we have been afraid to climb because of the loose or missing boards which might cause us to stumble and miss a step or two.

Imagine a renovated Parish with a new staircase that leads to the heavens; to our Saviour, Jesus! Imagine a mission-oriented parish. Imagine a Parish which welcomes the lost & invites them to renew their relationship with Jesus, prepares them with the truth and sends them out into the world to evangelize to all nations! We have been and we still are in the process of renovating our Family of Parishes! Like St. Luke reminds us in the Acts of the Apostles, we are opening the doors of faith and welcoming those who have been searching for Jesus. Two weeks ago in Goderich, we welcomed Duncan and Pam into the Church through the sacraments of Initiation!

We are renovating our Parishes with a new commandment.....Love one another just as I have loved you! Love is the power that created the universe and love is the power that can renew the universe. We are following in the footsteps of parishes such as Holy Family in London and St. Benedict's in Halifax! St. Benedict Parish started their renewal in 2005 and called it a Divine Renovation! It is a parish which is actually making disciples and preparing them to evangelize to the world the message of Jesus Christ. It has grown into a dynamic parish which is flourishing with new life and a strong commitment to being a missionary church!

This is a similar renovation plan we have for our Family of Parishes. We started with three lay leaders last Fall and now have twelve lay leaders who have discovered their charisms through the Called and Gifted program from the St. Catherine of Siena Institute. Having discovered their charisms, we will discern with these lay leaders how the Holy Spirit is calling them to use their charisms as leaders to build and benefit our Family of Parishes.

Alpha is another tool we are using to invite parishioners to have a relationship with Jesus. Our new leaders, those in the RCIA process, teachers and engaged couples have all been invited to join Alpha so they can deepen that relationship with Jesus and we, as a Family of Parishes are creating a culture of evangelization!

This entire process is not your pastor's idea! I'm not capable of such a plan. This dream renovation is being led by the power of the Holy Spirit! It is directly in line with the dream of Bishop Fabbro that we become a mission-oriented Church that forms disciples of Jesus!

My friends, John's vision of this new Jerusalem is a mystery, which means that there is always more to be discovered in it. John tells us about it so that we can try to imagine it; so that we can hope for it. I have shared this vision for our Family of Parishes so that it is not a mystery but something new to be discovered as we follow this new commandment to love one another.

As St. John says, "By this everyone will know that we are Christ's disciples"! Let us commit ourselves to join together as we work to renovate our world, our lives and our Family of Parishes! What remains for us now is to follow and to go where only Jesus Christ can lead us!

Did you know there can be tax advantages when donating shares?

Find out more [here](#). If you would like to donate shares to your parish please contact Lori or Karen.

Please consider your parish in your Estate planning.

For April, all Parish income ultimately covered expenses, with most having a surplus. We have cut several subscription services to help lower expenses and have postponed some maintenance items, however, they will need to be addressed at some point to avoid costly repairs. With the resignation of one admin staff, not all of the hours will be reallocated to the current staff for additional savings.

We intend to publish a more detailed six-month report with commentary in the last half of July.

As we continue to review expenses for possible cost savings, any extra funds that you can give would be greatly appreciated. Thank you for your support.

#### Commentary

This month there was both a CEWs and Hydro/Gas Subsidy. This ends the subsidies we will receive.

We thank you all for your prayerful and financial support during this time.

Thank you for your generosity.

Father Antoine (Tony) Laforet and your Finance Committee members.
