Dear Brothers and Sisters,

Thank you to the St. Andre Committee, Pauline and Marc Cantin, Fr. Vince, Fr. Steve and Fr. Jomon (Holy Cross Father from Montreal) for hosting our four-day visit of the Relics of St. Andre Bessette. It was truly a remarkable and blessed celebration of healing and prayer. Pauline and Marc left us with numerous bookmarkers, prayer cards and even some third-class relics of St. Andre. I was able to share some of these gifts with the students at St. Joseph School in Clinton following their Mass on Tuesday. I look forward to sharing these items with the other schools in our Family of Parishes as well.

Last Wednesday evening, we celebrated Confirmation with 27 students from among our Family of Parishes. The fire of the Holy Spirit was truly present and we pray, that along with their families, these Confirmandi will trust that they are never alone as they journey along with the Holy Spirit to a life of holiness inspired by the lives of the saints.

Speaking of saints, we celebrate All Saints Day on Tuesday. This feast honours all the saints of the Church, those known and unknown to us. Of course, there are many books, online articles and several films which tell the story of these amazing saints. Some of these stories are available on "Formed" which can be accessed through our website. Please take time to visit "Formed" and see what is available to teach and help us deepen our Catholic faith.

Following this feast, on Wednesday, November 2, we celebrate All Souls Day. Since the early Church, Christians have prayed with joyous affection for all the faithful departed who have lived from the beginning of the world until the end. Throughout November, we will have the opportunity to write the names of those who have died in a Book of Remembrance which will be on display in each of our parishes.

Finally, several parishioners gathered last July to participate in Strategic Planning for our Family of Parishes. This week, we will review our efforts and begin to create a Vision for the future of our Family of Parishes. Since it will be another two weeks before we see another bulletin but please watch for an email this week regarding the outcome of this Visioning Process.

Development and Peace

Development and Peace's People and Planet First campaign is calling on Canada to prevent its corporations from abusing human rights and the environment in their overseas operations and global supply chains. Since September 2021, over 24,000 people have signed our petition calling for Canadian due diligence legislation.

This fall, let's continue our mobilization by inviting new people to: 1. Sign the petition for mandatory due diligence by Canadian companies operating abroad (devp.org/act). 2. Become members to join the Development and Peace family and make a commitment to social justice (devp.org/joinus).

Let's stand in solidarity with those who defend their rights and the environment for present and future generations. Learn more at devp.org/campaign.

Nurturing Joy - The Art of the Ask

How to Successfully Engage Parishioners Webinar - Thursday, November 10, 1:00 - 2:30 with Quentin Schesnuik - Associate Director Parish Vitality and Stewardship Archdiocese of Toronto. Quentin will focus on the details of actually recruiting volunteers: the best methods of communication, effective messaging and key methods of recruiting. In addition to priests, deacons and LEMs, parish secretaries may also benefit from this webinar. Details and registration information can be found at www.dol.ca/nurturing-joy-webinars.

We continue to hold expenses where we can. This is becoming more of a challenge as we can only delay some maintenance items for so long without negative effects. We ask that you remember your parish during the upcoming Thanksgiving Appeal. These funds are not accessed by the Diocese and stay in the parish.
