Being a mission-oriented Church that forms disciples of Jesus

SUNDAY, JUNE 11, 2023—BODY AND BLOOD OF CHRIST
SUNDAY, JUNE 18, 2023—11TH SUNDAY IN ORDINARY TIME

The Importance of Sunday

The greatest prayer of all is Mass, and Sunday Mass is that special day of the week when the whole community comes together to give honor and glory and praise to God. This is "Thee" day of the week. It is the first day of the week and not the end of the weekend. It is a day of rest and recreation. It is the one day when we especially rejoice in the gift of the Eucharist which is the food for our journey. Sunday is the day we go to church and come together as Church to give public witness in thanksgiving for the blessings of the week that has just passed and ask God for his blessings on the week ahead.

In many ways, the seeds of my own vocation to the priesthood were sown in going to Mass with my family on Sundays. I remember as a child that we all prepared well for Sunday. Mom and dad dressed up for Sunday Mass and made sure we did as well. We sat in the front pew so that I would behave, and we would pay attention to the actions of the Mass and come to understand it. The Mass was in Latin in those days. Now the Mass is in the vernacular, and we are able to study and pray over the readings before going to Mass.

The Sunday Mass is a time to give of the substance of our time, talent and treasure to God and to the community. This is a time also to give to causes of great need, an opportunity to give of ourselves as we move out of our own particular little world and into the communal, universal and eternal world. Sunday can and ought to become the center point to our discipleship as individuals, as families and as parishes and faith communities. The Mass is the "source and summit of our Christian life," of our prayers and meditations and Christian living throughout the week ("Lumen Gentium," no. 11).

A significant part of the purpose of the new evangelization is to invite our family members and friends to return to active practice of the faith by attending Sunday Mass. The Mass is the highest form of prayer available to human beings as it is a participation in the heavenly liturgy which is filled with abundance in comparison to our feeble attempts here on earth. "The immense numbers of people who have not received the Gospel of Jesus Christ cannot leave us indifferent," says Pope Francis in "Evangelii Gaudium" ("The Joy of the Gospel," no. 264).

National Indigenous Peoples Day

From the Truth and Reconciliation Committee: On **June 21**, Canada celebrates National Indigenous Peoples Day. The Federal Government provides more background on this important day at this [link](#). We are encouraged to become more familiar with the First Nations existing within our diocesan boundaries (a list is at the bottom of this [page](#)). The best way of building bridges of understanding and healing might be by inviting an Indigenous neighbor for a cup of coffee or a BBQ over the summer months or by attending a local Pow Wow. We pray that we might confront the past with honesty. We pray too for the gift of bravery that we might work together to build a bright future for all.

Our children need you now more than ever....

We are in a time when communities are struggling to care for their children. People are busy... Families are left to struggle alone... Foster families are more and more difficult to find...

Bluewater Family Support Services is looking for families with clear and consistent values willing to open their homes and hearts to children needing care. Faith, hope, charity, and laughter are at the core of a good foster family.

Bluewater has been supporting foster families caring for children since 1982. We are a professional team with over 100 combined years of experience. We are child-centered and family focussed. With countless foster families and far too many children, we have seen it all. We know what works.

Confession Heals The Soul

Catholics are encouraged to partake of the sacrament of Reconciliation (Confession) as much as possible, confession is good for the soul. None of us are perfect, and all of us carry burdens that could be lightened through honest reflection and repentance. Other religions **include** a confessional practice as well, attesting to the universal need: Jews confess "We have sinned" in the Yom Kippur service. Confession is part of the Hindu *Prāyaścitta*. In Islam, the act of seeking forgiveness from God for sins is called *Istighfar*. Buddhist monks confess their sins to other monks.

Find a time for Confession that works for you, we are here to help and you'll feel better for it.

Confessions also available by appointment
