Reflections ~ Reflexiones

Gospel: Mark 6:30-34

If you have ever had the frustrating experience of being interrupted while you were trying to tell about some wonderful adventure, you will understand how the apostles feel in this gospel story. They have just returned from their first missionary journey. They want to tell Jesus all about it. He leads them off to a quiet place where they can tell their stories. But the crowds follow them because they are hungry for Jesus' teaching and his healing touch. Seeing the crowd, Jesus is moved to respond to them. They are like sheep that have been scattered. Out of love, the Good Shepherd calls them together and guides them. The apostles' adventure stories will have to wait.

- 1.) When others make demands on you at times when you need to rest, what is your usual response?
- 2.) What can we learn from the example of Jesus in this gospel story? How will you try to follow that example in your daily life?

Evangelio: Marcos 6:1-6

Si has tenido alguna experiencia frustrante de haber sido interrumpido mientras tratabas de contar una maravillosa aventura, entenderás como se sintieron los apóstoles en esta historia bíblica. Justamente habían regresado de su primer viaje misionero. Querían contar a Jesús todo lo sucedido. El los lleva a un lugar tranquilo donde puedan contar sus historias. Pero la multitud los sigue porque ellos tienen hambre de las enseñanzas de Jesús y de su toque sanador.

Al ver la multitud, Jesús es conmovido a responder. Ellos son como ovejas que han sido acorraladas. Por amor, el Buen Pastor las llama y las guía. Las aventuras de los apóstoles tendrían que esperar.

- 1.) Cuando otra persona demanda de tu tiempo, cuando necesitas descansar, ¿qué respondes?
- 2.) ¿Qué podemos aprender del ejemplo de la historia bíblica de hoy? ¿Cómo tratarás de seguir ese ejemplo en tu vida diaria?

Pastor's Message ~ Mensaje del Párroco

PROPER BALANCE

Jesus knew that he and his disciples needed occasional time alone, so they went "to a deserted place" to rest. Are you over-working, over-volunteering, over-extending yourself? Saint Benedict (485-547A.D.), the founder of many monasteries in Italy wrote a set of instructions, called the Rule, to ensure the monks could pray, work, and live in harmony. The Rule is a blend of moderate and reasonable instructions, requiring everyone to participate in an orderly balance of daily activity. This is hard for us to accomplish ourselves, with the demands of the workplace and family. One busy mom uses her bathroom moments to pray; a man who takes many business trips prays as he drives. Parents caring for a disabled son rely on the help of friends for a necessary time-out. An overworked single mother takes a nap every day while her children do their homework. It is essential to refocus and refuel for your God-given calling in life.

Living Stewardship Now

Look at your life and try to add up how you spend your week. How much time is devoted to God, family, work, and service? Do you rest and relax or just change activities? What are your time-wasters? Copyright (c) 2011, World Library Publications. All rights reserved.

UN BUEN EQUILIBRIO

Jesús sabía que él y sus discípulos necesitaban ocasionalmente un tiempo a solas, por eso se los llevó consigo a "un lugar solitario" para descansar. ¿Estás trabajando en exceso u ofreciendo demasiado tu tiempo voluntario? San Benito (485-547A.D.), el fundador de muchos monasterios en Italia, escribió una serie de instrucciones, conocidas como la Regla benedictina, para garantizar que los monjes pudieran orar, trabajar y vivir en armonía. La Regla es una combinación de instrucciones moderadas y razonables exigiendo la participación de todos en las actividades diarias de una manera ordenada y equilibrada. Esto es difícil de lograr para ninguno de nosotros por sí mismo debido a las exigencias del trabajo y la familia. Hay una mamá que ora cuando está en el baño; un hombre que reza mientras maneja en sus muchos viajes de negocios. Los padres que tienen un hijo discapacitado dependen de la ayuda que sus amistades puedan brindarle para tener un respiro necesario. Una madre soltera con exceso de trabajo toma una siesta todos los días mientras sus hijos hacen la tarea escolar. Reenfocarte y reabastecer tus energías son cosas esenciales para responder al llamado de Dios en tu vida.

La Corresponsabilidad Viva Ahora

Reflexiona sobre tu vida y trata de hacer un recuento de cómo pasaste la semana. ¿Cuánto tiempo dedicaste a Dios, la familia, el trabajo y los servicios? ¿Descansas y sabes relajarte, o sólo cambias de actividades? ¿Dónde pierdes el tiempo? Natural Family Planning Awareness Week (July 22nd- July 28th)

Natural Family Planning (NFP) is a unique form of fertility education. Specifically, NFP is the title for the moral, natural and healthy, modern and scientifically reliable methods of family planning. These methods teach married couples how to identify and understand their combined signs of fertility. This information then helps married couples plan to achieve or postpone a pregnancy. NFP is morally good because it helps married couples respect God's design for married love. (Theresa Notare, PhD, Assistant Director, NFP Program, United States Conference of Catholic Bishops) Please find more info at: <http://www.usccb.org/issues-and-action/marriage-and-family/natural-family-planning/awareness-week/index.cfm>

Semana de concientización de planificación familiar natural (22 de julio - 28 de julio)

La planificación familiar natural (PFN) es una forma única de educación sobre la fertilidad. Específicamente, PFN es el título para los métodos morales, naturales y saludables, modernos y científicamente confiables de planificación familiar. Estos métodos enseñan a las parejas casadas cómo identificar y comprender sus signos combinados de fertilidad. Esta información luego ayuda a las parejas casadas a planear lograr o posponer un embarazo. La PFN es moralmente buena porque ayuda a las parejas casadas a respetar el diseño de Dios para el amor conyugal.
