## A LEGACY OF FAITH, HOPE, AND LOVE

*A Legacy of Faith, Hope, and Love* will create permanent endowments for vocations, Catholic education, Catholic Charities, and parish growth and expansion in our diocese, as well as facilitate exciting things right here at St. Patrick's: we will be using our parish share of the campaign proceeds to **reclaim our beautiful space above the church, the former St. Patrick School, by refreshing the space and making it accessible to all through the installation of an elevator**.
Design proposals are underway to install an accessible elevator to the second floor, while completely maintaining and respecting the historical beauty and integrity of our space. This will open up one of our parish's greatest currently untapped resources, for countless uses including parish gatherings, wedding receptions, religious education, and so much more. We will officially kick off our participation in the campaign on the last weekend of September. Stay tuned for more information!
