December 23 we announced our new goal for our "Continuing To Renew All Things In Christ" Capital Campaign. That goal of \$4,064,672.00 left us with \$449,617.00 to raise. In five weeks, we have received \$95,659.00 toward this new goal or a balance of \$353,958.00. We have also received over \$2.5 million in cash for the Campaign. Thank you all very much for your continued generosity. Continued communications with Joe Neville from Guidance In Giving is always filled with praise and surprise how well you all have supported our Capital Campaign. "So very generous" is what we continue to hear from Joe about our parishioners. He encourages all of us to stay on this wonderful path of ours. By spring, if our parishioners continue this process of giving from the heart, WE WILL start on the expansion of our Narthex.

Father Dave, John Beyer and the Campaign Staff are asking all of our parishioners and friends to do three things. First, please continue to pray for the success of our Capital Campaign. Second, please be generous with your continued pledges. And third, continue to be an Ambassador by becoming informed and involved, enthusiastically sharing this information with as many people as you can, and encouraging others to become involved, and invite others to attend our functions in the New Hall. Please take the time to respond to the mailing we sent to all registered families. We have heard from 697 of our 2,059 registered families for Phase I. We have heard from 396 families out of 2,054 families registered at St. Pius X for Phase II. If you have pledged toward Phase I, thank you. If you have pledged toward Phase II, thank you again. If you have not pledged, please prayerfully consider a sacrificial pledge for Phase II. **If you are able to increase the length of time for your pledge, please respond via email to jbeyer@spxreynoldsburg.com or drop a note in the offertory.** If you ever notice any issue with your Capital Campaign billing statement or update letter, please give John Beyer a call at the Parish Office and these will be updated immediately.

Please continue your support of our Church and School by your prayers and offertory tithing during our Capital Campaign build. Please be thankful for all that we have here at St. Pius X Church and School.

SAINT OF THE DAY FOR FEBRUARY 14

Saints Cyril and Methodius (Cyril: c. 827-February 14, 869; Methodius: c. 815-April 6, 884)

Saints Cyril and Methodius' Story:

Because their father was an officer in a part of Greece inhabited by many Slavs, these two Greek brothers ultimately became missionaries, teachers, and patrons of the Slavic peoples.

After a brilliant course of studies, Cyril (called Constantine until he became a monk shortly before his death) refused the governorship of a district such as his brother had accepted among the Slavic-speaking population. Cyril withdrew to a monastery where his brother Methodius had become a monk after some years in a governmental post.

A decisive change in their lives occurred when the Duke of Moravia asked the Eastern Emperor Michael for political independence from German rule and ecclesiastical autonomy (having their own clergy and liturgy). Cyril and Methodius undertook the missionary task.

Cyril's first work was to invent an alphabet, still used in some Eastern liturgies. His followers probably formed the Cyrillic alphabet. Together they translated the Gospels, the psalter, Paul's letters and the liturgical books into Slavonic, and composed a Slavonic liturgy, highly irregular then.

That and their free use of the vernacular in preaching led to opposition from the German clergy. The bishop refused to consecrate Slavic bishops and priests, and Cyril was forced to appeal to Rome. On the visit to Rome, he and Methodius had the joy of seeing their new liturgy approved by Pope Adrian II. Cyril, long an invalid, died in Rome 50 days after taking the monastic habit.

Methodius continued mission work for 16 more years. He was papal legate for all the Slavic peoples, consecrated a bishop and then given an ancient see (now in the Czech Republic). When much of their former territory was removed from their jurisdiction, the Bavarian bishops retaliated with a violent storm of accusation against Methodius. As a result, Emperor Louis the German exiled Methodius for three years. Pope John VIII secured his release.

Because the Frankish clergy, still smarting, continued their accusations, Methodius had to go to Rome to defend himself against charges of heresy and uphold his use of the Slavonic liturgy. He was again vindicated.

Legend has it that in a feverish period of activity, Methodius translated the whole Bible into Slavonic in eight months. He died on Tuesday of Holy Week, surrounded by his disciples, in his cathedral church.

Opposition continued after his death, and the work of the brothers in Moravia was brought to an end and their disciples scattered. But the expulsions had the beneficial effect of spreading the spiritual, liturgical, and cultural work of the brothers to Bulgaria, Bohemia and southern Poland. Patrons of Moravia, and specially venerated by Catholic Czechs, Slovaks, Croatians, Orthodox Serbians and Bulgarians, Cyril and Methodius are eminently fitted to guard the long-desired unity of East and West. In 1980, Pope John Paul II named them additional co-patrons of Europe (with Benedict).

Holiness means reacting to human life with God's love: human life as it is, crisscrossed with the political and the cultural, the beautiful and the ugly, the selfish and the saintly. For Cyril and Methodius much of their daily cross had to do with the language of the liturgy. They are not saints because they got the liturgy into Slavonic, but because they did so with the courage and humility of Christ.

Saints Cyril and Methodius are the Patron Saints of: Slavic Peoples; Ecumenism
