### PASTOR'S PLATFORM

#### Deacon Godfrey Ssebikyu Summer Assignment: A Program for Priestly Formation

The Summer Pastoral Assignment Program is an important part of the formation of future priests for the Diocese of Columbus and the whole Catholic Church. From Tuesday, May 6, 2025, through Tuesday, August 5, 2025, Deacon Godfrey Ssebikyu will be with us at St. Pius X Parish. Through his summer placement, deacon will participate as closely as possible in the life and ministry of the priests. The assignment also affords the priests the opportunity to get to know, work with, and be a part of the formation of seminarians who will one day join them in priestly ministry. In addition, the visible presence of seminarians in the parish promotes the growth of vocations.

Consequently, the assignments are not meant primarily as summer employment or assistance, but rather experiences geared to the formation of future priests. "The field education program should provide diocesan seminarians with a broad exposure to supervised pastoral service, with primary emphasis on parish ministry." (*Program of Priestly Formation No. 433*) Thus the purpose of the program is:

- to provide the opportunity for seminarians to experience and participate in parish ministry.
- to develop a life of prayer in the context of parish life.
- to give the seminarian an opportunity to learn from the priests with whom he will be living in a manner akin to apprenticeship.
- to familiarize seminarians with the various parishes and deaneries within the Diocese of Columbus.
- to enable the seminarian to engage with a wide variety of parishioners and to hone his social, pastoral, and human skills.
- to provide an atmosphere in which a seminarian can put into action in real situations the academic experience of the seminary.
- to provide an experience of rectory living

Liturgical Ministries: Those who are ordained Deacons and those who have received the ministries of Lector and Acolyte are to exercise these roles in accordance with the norms of Church law. Accordingly, acolytes should normally serve as Extraordinary Ministers of Holy Communion before non-instituted persons. (*Program of Priestly Formation No. 433*). In addition, non-ordained seminarians who have not received these ministries are to be deputed to act as Extraordinary Ministers of Holy Communion during the length of their assignment. This deputation does not extend beyond the assignment in time or in place.

Ministerial Experience: Serving at Mass, acting as an Extraordinary Minister of Holy Communion and Lector, acting as a Sacristan for Mass, bringing Communion to the sick, attending and/or conducting funeral vigils, participating in outreach to the poor and those on the margins, participating in Pre-Baptismal Classes, assisting in the training of altar servers, encouraging Vocations to the Priesthood and Religious Life, with permission of the pastor, starting a Bible Study or Book Discussion Group, becoming involved in the parish ministry to the youth, visiting nursing homes and hospitals, attending parish organization meetings, sitting in on marriage, annulment, pastoral council, finance council, or other meetings, discussing regularly with the pastor the daily experiences in the life of the parish, serving as secretary. (A pastor might tell his secretary to take a couple of weeks off or plan some project for the second and third week of a seminarian's time, so that they are responsible for answering the phones and take office for a couple of weeks – great introduction to the variety in a parish life.)

So, we wish Deacon Godfrey a wonderful working pastoral experience in our parish.

Fr. Patrick Watikha, AJ

**Month Three:** I am quite active. Even though my mother cannot feel me yet, I can kick and flip around in my safe little world. I can move my eyes but my eyelids are closed. My cartilage is changing to bone. I can suck my thumbs and I hiccup when I swallow amniotic fluid. I am now three inches long and can hear outside noises. I can close my fingers around an object and I can squint, frown and smile. I am starting to react to my environment and although I can already feel sensations like pain, I really hope things stay the same – quiet, peaceful, and warm. *“His mother Mary..was found to be with child through the Holy Spirit..[the angel said] ‘what is conceived in her is from the Holy Spirit.’”*

March 25, 2025

Dear Senator/Representative,

As the Catholic bishops of Ohio, we serve as the primary teachers, sanctifiers, and shepherds of the Catholic Church in Ohio, proclaiming the Good News of Jesus Christ. Our mission includes urging followers of Christ, public officials, and all people of goodwill to recognize and promote the image of God found in every human being, especially those whom our society often discards. It is in this mission that we urge you, an elected representative of the people of Ohio, to uphold a consistent ethic of life by supporting legislation to prohibit the State of Ohio from funding the intentional termination of human life—including abortion, euthanasia, and execution—and to abolish the death penalty in favor of life without parole. These policies are deeply connected, as each helps to protect against a culture where life is disposable rather than cherished and protected. House Bill 72 and Senate Bill 134 recognize this unity by utilizing a non-severability clause to link these issues together.

In protecting human dignity, we as bishops of the Catholic Church advocate for a consistent ethic in defending the right to life of the preborn, opposing assisted suicide, and fighting to abolish the death penalty. A government that sanctions the destruction of human life through taxpayer funding of abortion, euthanasia, or the use of capital punishment undermines the dignity of those it exists to serve and protect. If taxpayer dollars are used to end life in the womb and hasten the death of the elderly, infirm, and suffering, what message does this send? Instead, state funds should be used to advance the common good and to accompany and support those in need.

The Catholic opposition to the death penalty is rooted in a clear preference for corrective action and redemption. The Church recognizes the immense harm a crime causes to victims, their family members, and society, especially the taking of human life. Such actions necessitate correction and conversion from the perpetrator and restoration of the damage caused to the public order. However, the irrevocable termination of God's gift of human life through the death penalty goes beyond what is truly necessary to defend and protect citizens and restore order and only perpetuates the attack on human dignity and life it is attempting to address.

While societal self-defense is an appropriate task of the state, the *Catechism of the Catholic Church* states, "...more effective systems of detention have been developed, which ensure the due protection of citizens but, at the same time, do not definitively deprive the guilty of the possibility of redemption." We can look to St. Paul's famous conversion and countless examples of prison inmates finding redemption and living a new life dedicated to God and fellow inmates. State-sanctioned execution represents a judgment that an individual no longer deserves to live, no longer deserves an opportunity to encounter the living God on earth.

Human dignity should not be defended selectively; our laws must reflect an unbroken and relentless commitment to life and dignity. Fostering a culture of life throughout Ohio demands a commitment to recognizing the dignity of the human person in all stages and circumstances, including the child in the womb, the infirm, those suffering from addiction, and those with whom we have the fiercest disagreements. The culture of life and civilization of love must also include members of the human

family, who, at one time, blatantly disregarded the humanity of others and need to face justice, a justice which can be rightly tempered by mercy. Finally, we seek to safeguard current laws which ensure taxpayer dollars will not subsidize death and protect the elderly and vulnerable, including persons with disabilities, the poor, and minorities, from the [dangers of assisted suicide and euthanasia](#).

In a pluralistic society such as ours, we understand that some General Assembly members do not agree with prohibiting tax dollars from being used for abortion, assisted suicide, or the death penalty. Even as we seek to convince all legislators and Ohioans on the need to protect lives threatened by these acts, we applaud the legislators who support these bills which, for us, represent a recognition of the image of God at the beginning of life or in those needing lifelong incarceration. Their support represents, as Pope Francis says, "a better kind of politics."

Please join us in upholding the inherent dignity and sacredness of every human life by denying the State the ability to fund death through your support of HB 72 and SB 134.

We thank you for your service to Ohio and keep you in our prayers.

MINISTRY SCHEDULE: MAY 31 & JUNE 1

For all parishioners who are involved in the Mass on the weekends, we have begun using Ministry Scheduler Pro, as we did several years ago before Covid. The weekly schedules will now be in the bulletin each week. It is requested that you always use the Sub Request feature if you are unable to honor your scheduled time AND that you **continue to enter your unavailable times in MSP**. Any questions, please email Teresa Iannaggi at [teresaispx2024@yahoo.com](mailto:teresaispx2024@yahoo.com).
