

Quarter One Book Report

Dear Students and Parents,

Your child, with your help, may select a book of their choice, but it must have a *strong human character*. Attached you will find the form on which they must gather information regarding the character in their book. Please guide your child through the note-taking steps. The book must be at a fourth-grade level or higher and a minimum of 90 pages. The report is due on Thursday, October 30th. The poster paper for the drawing portion of the report has been given to the students. Please be sure that the character poster is colored and detailed. I have attached an example of the report.

Thank you,

Mrs. Olson
