

WEEKLY NEWS

ASSUMPTION SCHOOL WEEKLY NEWS
November 5, 2025

Dear Assumption Families,

We are off to a great start to Quarter 2! As we begin this new quarter, we're setting goals to continue growing as learners and kind classmates. The students are working on building strong study habits, staying focused, and always doing their best work.

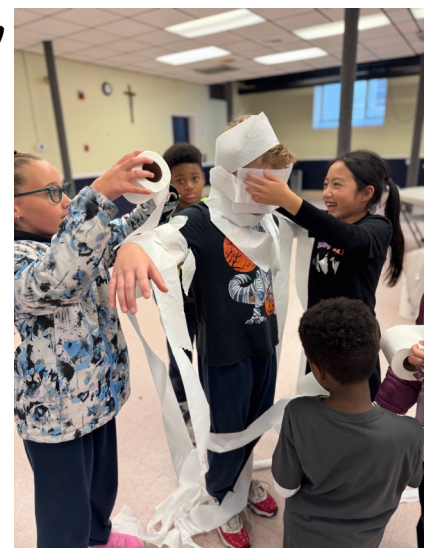

Last Friday was a special day as our second graders presented the Saints at Mass—a beautiful tradition that helps us all learn more about these inspiring role models of faith.

We had a fantastic time celebrating All Hallow's Eve with games, laughter, and plenty of fun! The students enjoyed spending time together and getting into the festive spirit. Thank you to the parents that helped make this a special afternoon.

This week we will enjoy Pizza Friday and Ice Cream Friday (\$1), a favorite treat for everyone! To make the day even better, Stella the Therapy Dog will be visiting our classrooms. It's sure to be a wonderful end to the week!

Blessings on a great week!

Mrs. Olson
