

WEEKLY NEWS

ASSUMPTION SCHOOL WEEKLY NEWS
September 2, 2026

Dear Assumption Families,

Happy First Full Day of School!

We are so excited to officially begin another school year! It was wonderful welcoming everyone back, and we are looking forward to a great year ahead. We would also like to extend a special welcome to all of our new families! We are so happy to have you as part of our Assumption family and look forward to getting to know you and making this a wonderful year together.

Curriculum Night will be tomorrow, September 3rd at 6:00 PM. This is a parent-only event; please no children. The evening will include two sessions, giving parents the opportunity to learn more about their child's classroom, curriculum, expectations, and the year ahead. Please remember that this is not a conference. If you need to speak with your child's teacher individually, please make an appointment with them.

MAP testing will begin the week of September 14th for students in grades 3-8. Individual teachers will let families know when classroom testing will take place.

We will celebrate our Grandparents' Day Mass on Thursday, September 17th at 1:00 PM. Mark your calendars! We look forward to welcoming our grandparents and special guests for this special day.

We hope everyone has a wonderful week and enjoys the upcoming Labor Day weekend!

Blessings,
Mrs. Olson =)

A Student Prayer:

Dear Lord, use my eyes to see new friends. Open my
ears to hear my teacher.

Open my mind to learn new things.

Let my heart remember you are near when I'm
afraid.

Help me to love others like you do.

I want to shine your light so bright in my school.

Amen.

The Jogathon is one of our two main Fundraisers for the school.

Each year we turn to our Assumption Community to help us secure sponsorships for the event. We ask families to ask their employers, local businesses, and organizations to join the Assumption School family by supporting the Jogathon.

The Jogathon is a fun filled whole school activity that engages all students. Every dollar raised will be used toward school improvement initiatives (student activities, improvements, curriculum etc.).

Please see information included in this weeks Wednesday envelope!

The FACTS Family Portal will be essential for communication with the school, office, and teachers this year. Most forms, permission slips, and pizza orders will be managed through the portal, So please check it regularly to stay up to date.

Lunch Orders Are Now Open!

Pizza & Walking Taco Tuesday ordering is now available! Families may begin placing their lunch orders at this time. Please be sure to submit your orders by the designated deadlines so we can ensure lunch is available for your child.

Thank you!
