3RD SUNDAY OF LENT

Since the Passover of the Jews was near, Jesus went up to Jerusalem. He found in the temple area those who sold oxen, sheep, and doves, as well as the money changers seated there. He made a whip out of cords and drove them all out of the temple area. - Jn 2:13b-15a

Donald was a loving husband, father, poppie, brother, uncle and friend to all that knew him.

We thought of you today, but that is nothing new. We thought about you yesterday, and days before that too. We think of you in silence, we often speak your name. Now all we have are memories, and your picture in a frame. Your memory is our keepsake, with which we'll never part. God has you in his keeping, we have you in our heart.

RAISING CHICKENS TO SUPPORT HER FAMILY

Nowadays, in Morazán, El Salvador, it is very difficult to know when the rainy or dry seasons will be. The unpredictable weather puts the livelihood of Sandra's family in jeopardy. Despite the challenges, Sandra and her husband, Santos, remain dedicated to ensuring their children grow healthy and succeed in school. Learn how their strong family dynamic enabled Sandra to participate in a Catholic Relief Services' project on raising chickens and how her determination has helped her family and community. Visit csrricebowl.org to read this week's Story of Hope. Rice Bowls are available in the back of the church!

NEW ORGAN PROJECT AT STS. CYRIL & METHODIUS

We are embarking on a program to enrich the lives of our congregation and friends through the beauty of a new Rodgers organ at Sts. Cyril & Methodius. The current organ was purchased in the 70's and has several issues that need to be addressed; however, this instrument is obsolete and parts are almost if not impossible to obtain that would bring it back to perfect performing condition.

The new model of organ (Rodgers Inspire Series 233) that we are purchasing has the ability for the organist to record music into the organ, comes with 350 pre-recorded music for those times when an organist might not be available, allows for an improved speaker sound system if we choose this option, and it will give the ability to store registration settings externally on a USB device.

All members, organizations and friends are invited to participate in this worthy and lasting project by donating towards the purchase of this organ. The Rodgers Inspire 233 model with an additional two speaker system costs \$41,500.00. We have initiated the production of the organ and expect delivery around 2 to 3 months from now.

If you have any questions, please call the Parish Office at (979) 742-3383 or one of our organists: Angela Morris or Kathleen Lindemann.
