

Message from Fr. Marty...

THANK YOU to our General Chairpersons, Richie & Karin Vacek who organized this parish event. Also thank you to all who worked in different capacities to make this bazaar a huge success. We all worked well together, chairpersons, booth/stands workers, set-up and clean-up crews, and volunteers. We had great support from you, our parishioners, as well as from the local communities who came out

and supported the bazaar by buying food, raffles, playing games and buying at the auction. In the end, all went well and it was very successful. God Bless You for your volunteering, your support, generosity, and your concern for your parish.

Fr. Marty

Message from Richie & Karin Vacek, Bazaar Chairpersons...

Another year, another great bazaar! Thank you to our parish family and community for donating money, auction items, prizes and baked goods. It wouldn't happen without your contributions. A special thank you to Father Marty, the office staff and all of the chairpersons for your help with putting it all together. Year after year, so many of you give your

time selflessly to work and make our bazaar a success. The food is always delicious, baked goods are amazing, music is fantastic, games are fun, and the auction is exciting.

Looking forward to Bazaar 2025!
Richie & Karin Vacek
