

2025 Bazaar Edition

Sunday, September 21, 2025

Message from Fr. Marty...

Dear Parishioners

On Sunday, September 21st we had hundreds of people on our church grounds where they were warmly greeted by our parishioners. The weeks of preparation were perhaps stressful to some but all can relate to the fact that the joy, and appreciation for working together gave a great sense of accomplishment to all. We are blessed by so many people

with big hearts who work so hard without expecting thanks. But I will say it... **THANK YOU** to all those who participated in this year's annual Bazaar. A shout out and thanks to this year's Bazaar Chairpersons, Rich and Charlotte Mills who shouldered the burden and joy of putting it together. With their guidance and encouragement the bazaar was very successful again this year. We can all be proud of what was

accomplished. Thank you to all who gave their time and talent in anyway to make our bazaar happen. Thank you to our BBQ & Kitchen crews for cooking and serving such wonderful food. I heard only good things about how good it all was. This was a great example of how we can work together for a single purpose. It reminds me of how our Sts. Cyril & Methodius community can step up and share love and fellowship with our

community at large. Thank you, again, to all who participated and worked so hard at this event!

Blessings,
Fr. Marty

Message from Rich and Charlotte...

Our 2025 Church bazaar is over and once again it was a success. We filled our hearts with Jesus and he delivered joy. Everyone put so much effort and time into our small Church and made it into a big event. When we all work together

we have amazing results. The communities around us support us so generously and we thank each and everyone of them. We had good weather, wonderful support, and the best volunteers in the world. My heart is blessed to be

in such a parish. Thank you, each and everyone of you, who gave so much to make the bazaar another winner. As I mentioned at mass, the number of hours we all put in shopping, baking, etc. for the bazaar would be mind boggling.

So one last THANK YOU and now let our bodies heal and take a rest.

Rich and Charlotte Mills
