

# ONE YEAR » TO » ONE PARISH

## JULY 1, 2022—JULY 1, 2023

*Under the above banner, each week you will find information regarding our process of merging our two parishes into one canonical entity, a brand new parish. We are some of the very last parishes in the Diocese of Pittsburgh to undertake this process. On this page each week you will learn details of how this will take place and some of its implications. Please read it each week.*

In the previous three bulletins, we have provided a detailed view of the buildings that will be part of our new parish, on July 1, 2023. Below is a summary of those buildings. It is important to note that as we become one parish, all the assets of each of the former parishes become available to all. That means that all ministries and organizations have equal access to all of our buildings. How that works out in real life will involve careful scheduling, collaboration and a lot of patience.

In the formation of the new parishes over the last few years, many new parishes have as many buildings or more than we will. The goal of the diocese was to enable each newly formed parish to consider its programmatic needs and to assess what physical plant(s) were needed to accomplish the goals set by the parish. In some cases, it meant selling unneeded properties and, in some cases, contemplating renovation or even new construction.

This will be a part of our discerning and planning as well. Over the coming months on this page you will find information on goals for our new parish and, in time, we too will be assessing our vision and what resources we need to implement that vision.

### **The Glade Mills Campus**

- Church
- Early Education Center
- Youth and Young Adult Center (YYAC)
- Rectory
- School Building
- Bish House and Property

### **The Mars Campus**

- Rectory
