## THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

# FR. MAC'S MESSAGE

*Are you listening?*

This great feast of Epiphany is also known as the Manifestation of the Lord. What is so jaw dropping about this feast is that those who recognized the Lord's manifestation were the most unlikely of people. The royal leadership and religious leadership did not recognize him. They, and most of the faithful Jews, were too wrapped up in their own lives and self-importance. Meanwhile, the shepherds who provided the lambs for Temple sacrifice, but because of their livelihood, could not practice their faith regularly, were the ones God chose to announce the birth of the Savior. They were in the fields, silent, and listening. And because they weren't too busy and pumped up with their own self-importance, in the silence of the night, they heard the angels sing.

The Magi, these foreigners, these non-Jews, were paying attention to what God was doing in the world. Their desire to know divinity, and their faith that God was at work, allowed them to notice the star which led them to the Christ Child.

Why did these two most unlikely of groups notice the manifestation of the Lord? Because, unlike those to whom He came, they were paying attention! Are we paying attention? Do we search and expect that God is active in our lives or in our world? Or are we, like so many in the time of our Lord, so caught up in our own busyness and self-importance?

This Synod that the Holy Father has asked to be done throughout the church, in every country of the world, is a call for us to **LISTEN.** Pope Francis is calling for something that has never been done before. He is asking for all Catholics and non-Catholics throughout the world to come together and listen to one another and to listen to what the Lord may be saying to us through one another! The shepherds heard the angels because they were silent. They were in the stillness of the night. The Magi saw the star because they were watching. They expected that God was up to something. This Emmanuel is still up to something! We need to be alert to what He is doing in our midst! He has never abandoned the human race. But, many of us who claim to be his followers have abandoned Him. We are not listening. We are not watching. We say we believe, but our attitudes and actions proclaim to the world the opposite.

Sr. Annie and Fr. Ben Barr will be heading up the committee to lead our parish's participation in Pope Francis' Synod. Please watch the bulletin and our website for more important information regarding how you can participate. All are welcome to participate. The Synod is open to all people in our community. Catholics, non-Catholics, fallen away Catholics, atheists, all are welcome and encouraged to participate—for Christ Jesus lives in everyone.

The Lord has indeed made himself manifest, but are we the alert ones who notice?

God love you,

Fr Mac

*J. M. J.* *From the Desk of Deacon John:*

*A Blessed Happy New Year to everyone!*

About a week prior to Christmas, we discovered that some of the mail addressed to our parish address of **910 S. Mercer St. New Castle, PA 16101** was being returned for various reasons such as unable to forward, no such address, etc. You may recall we experienced this same type of issue back in early 2021. Upon contacting the Postal Service, we were advised there was an issue with their Automated Sorting System in Pittsburgh. We were told they were working on resolving the problem.

**If you happen to have mailed items to the parish, and they have been returned to you as noted, please know our address has not changed and remains as noted above. We are hopeful the postal system resolves the problem quickly.**

During the month of January, we will be working on the printing and mailing your Annual Contribution Statements. Please remember, we are only as good as the information we have for you in our system.

If any of your contact information has changed: Mailing Address, Apartment Number, Phone Number, E-mail Address, please inform the parish office immediately by contacting Rhonda Dolin at **rdolin@hsplc.org or 724-652-3422, Ext. 2212.**

We want to be sure important communications from your parish always reach you!

Wishing you and yours a blessed week.

*God love you!*
*Deacon John*

## Gospel Reading for NEXT Sunday January 9, 2022—Luke 3:15-16, 21-22

Meditation:
**What does this text say to me, today, and to my life?**
*"He will baptize you with the Holy Spirit and fire."*

**How does my faith inspire my actions?**

- What word or words in this passage caught my attention?
- What in this passage comforted me?
- What in this passage challenged me?

**Prayer:** **What can I say to the Lord in response to His word?**
I bring to the Lord the praise, petition, or thanksgiving that the Word inspires in me.

**Contemplation:** **What conversion of the mind, heart or life is the Lord asking of me? I spend quiet time in God's presence.**
*How are the gifts of the Holy Spirit (See Isaiah 11:1-3 and #1831 in the Catechism of the Catholic Church) and the fruits of the Holy Spirit (See Galatians 5:22-23 and #1832 in the Catechism of the Catholic Church) present in my life?*

**Action:** **How can I make my life a gift for others in charity?**
Suggested actions to consider: *Can I learn more about volunteer opportunities in my parish and find ways to share my gifts with the parish community?*

## The First Noel

Yes, I know that today is Epiphany and the quintessential hymn is *We Three Kings.* Don't worry! We will certainly sing that as our opening hymn, but *The First Noel* also has an Epiphany theme.

If you were in France during the Christmas season, you might be greeted with **"Joyeux Noel"**, which is their way of saying **"Merry Christmas"**! The word **"Noel"** is derived from the Latin word **"natalis"** meaning birth and has gradually come to refer to the birth of Christ and Christmas.

*The First Noel* is claimed by both France and England. Although it first appeared in print in England in 1833, most authorities believe it originated in France during the 16th century.

The first verse of the carol tells of the shepherds, while the following verses tell of the Magi who arrived on the Twelfth Night. Because of these last verses, the carol is perhaps, more suited to the Epiphany. According to tradition, the verses are supposedly sung by the shepherds and the refrain by the angels! How awesome would it be to hear the heavenly host singing! Hopefully, like me, you never tire of hearing the lovely strains of this carol at Christmastide. Like the tone of an old violin, it grows ever dearer to our hearts with the passing years.

### Did you know in this Liturgical Year we are reading from the Gospel of Luke?

There will be times like today, the Feast of the Epiphany of the Lord in which we read from St. Matthew, generally we will hear the Gospel from St Luke.

Luke does not give us any autobiographical information, but based on other New Testament passages, he is believed to have been a physician. As you read and listen to the Gospel of Luke, look for evidence that would support the idea that he was a physician.
