

What is Catholic Schools Week? National Catholic Schools Week (CSW) is an annual celebration of Catholic education in the United States. Catholic Schools Week is now entering its 49th anniversary year. This year's theme is Catholic Schools: Faith. Excellence. Service. We will spend the week celebrating with themed dress-up days, activities during and after school, a Book Fair that is open all week, and a service project. Our Catholic Schools Week Service Project is for the Children's Hospital. We are asking families to donate items we can put together in packages to give to children who are in the hospital due to illness. We are hoping to provide some happy distraction and brightness to what can be a very scary time for these families. Teachers will be sending out more detailed information. We will also have an ongoing Book Fair in the school Library where you can purchase books for yourself, your children or the classrooms. (Preschool/PreK class participation in activities may vary. Preschool/PreK teachers will communicate to parents any information specific to those classes.)

**Sunday,
January
29**
