In God We Trust! But How Much Do We?

Prior to 1956, “*E Pluribus Unum*” (out of many, one) was the official motto of the United States, today it is “In God We Trust.” Further back in 1864, during the Antebellum period, Congress approved the use of “In God We Trust” on all one- and two-cent coins. Then in 1955 Congress mandated that ALL U.S. currency include “In God We Trust.” So all of the currency we use today (except for crypto-currency I imagine?) have these words.

While most of us reading this do have some significant level of trust in God, I wonder, as a nation, how many of our inhabitants do? I would wager many people do not have much trust in God's providence (*God will provide*), and instead trust in their own personal abilities. This lack of trust is not unique to the United States, but our country has claimed otherwise as reflected on all of its money! If these words have any actual

meaning today, ironically it is the idolatry of money that is so pervasive in many parts of our society that run counter to this motto.

To be more reflective of today the motto might better be “In Private Property We Trust, In Modern Medicine We Trust, In Popular Opinion We Trust, In The Right To Choose We Trust, In The Bank Of America We Trust” but not “In God We Trust.” Don’t get me wrong, we live in a great country and I love this country, but we can work to make it better in the way we live and radiate Christ to others! As Christians we are all called to have that trust in God day-in and day-out as we live *in* the world, but not *of* the world. Peter trusted initially in today’s Gospel, but that trust faltered and as a result he began to sink (literally!).

How often has our faith faltered when things in daily life are not going exactly our way and we start to sink in anxiety and despair? Do we turn to the Lord in full trust and in sincere prayer? God loves us and is always ready to lend a helping hand. Pope Francis once said that having total faith and trust in God means recognizing that he always knows and wants what is best for us, even if it is hard to accept because it might not align with our own plans. We are all human, like Peter, trusting and at times having doubts. I pray that especially during those times that are difficult, when things are not going exactly our way, or when we find ourselves outside of our comfort zone we can let go and let God! God is in control, He will provide!

May our all loving and merciful God bless you this day and every day.

Peace, Dcn. Tim

Touch our hearts,
help them grow toward the life you have promised.
Touch our lives, make them signs of your love for all.

CATHOLIC WEYMOUTH KNIGHTS OF COLUMBUS COUNCIL 729

Brings to us The Our Lady of Guadalupe Silver Rose

Tuesday, August 22 - Immaculate Conception Church 9am – Noon

The Our Lady of Guadalupe Silver Rose has been a Knights of Columbus tradition for over 60 years. In 1960, groups of Columbian Squires in Mexico, Canada and the United States decided to honor Our Lady of Guadalupe by carrying a rose across North America from Canada to the Basilica of Our Lady of Guadalupe in Monterrey, Mexico.

Our Lady of Guadalupe - One Life, One Rose Program will visit us on Tuesday August 22 from 9am until 12noon. Every stop along the route of the Silver Rose Pilgrimage is an occasion for prayer and spiritual renewal centered on the rosary. There will be reflection and prayer following the 9am Mass.

All are welcome.

The History of the Hymn Part XXVII

A MIGHTY FORTRESS IS OUR GOD

Lyrics by, and tune attributed to, Martin Luther (1483 – 1546)

In 1483 a son was born to a poor miner and his wife in Eisleben, Germany.¹ An area well known for its music, its children would be raised with a firm foundation in that art. Young Martin sang in a boy's choir, played the recorder (flute) and through the years became a composer of hymns. Luther believed and wrote that; "Next to the Word of God, the noble art of music is the greatest treasure in the world...A person who...does not regard music as a marvelous creation of God...does not deserve to be called a human being; he should be permitted to hear nothing but the braying of asses and the grunting of hogs."²

At one time a Catholic priest, Luther later disagreed with the teachings and practices of the Church. The fervor surrounding his challenges led to his eventual excommunication. Although it is not known for certain, some ascribe his most remembered hymn to this event.³ Although that may be true, the text of the hymn still pertains to many Christian faiths including our own Catholicism. The words are inspired by the forty-sixth psalm "God, the protector of Zion", which includes:

"God is our refuge and our strength, an every-present help in our distress." and "The Lord of hosts is with us; our stronghold is the God of Jacob."⁴

You may remember this tune from your youth in another way. In the 60s and 70s, the Lutheran Church developed an animated clay television series "Davey and Goliath", which used this hymn tune as its theme song.

Nineteenth Sunday in Ordinary Time

After teaching for many years, a well-known professor could not go anywhere without bumping into someone who recognized him. His sizable frame, his booming laugh and his deep voice could not be mistaken, even after many years had passed. Former colleagues, students and friends of the university would stop and chat. Even if he could not recall a name, he would remember the person's face and perhaps a detail or two from long ago.

Jesus comes to the Apostles at a time and place they are not expecting. In such unusual circumstances, they are caught off guard and think they are seeing a ghost. Peter recognizes the Lord, but still asks for proof. His faith and courage fail him, however, and he needs the Lord to rescue him. He calls for help as quickly as he called for proof.

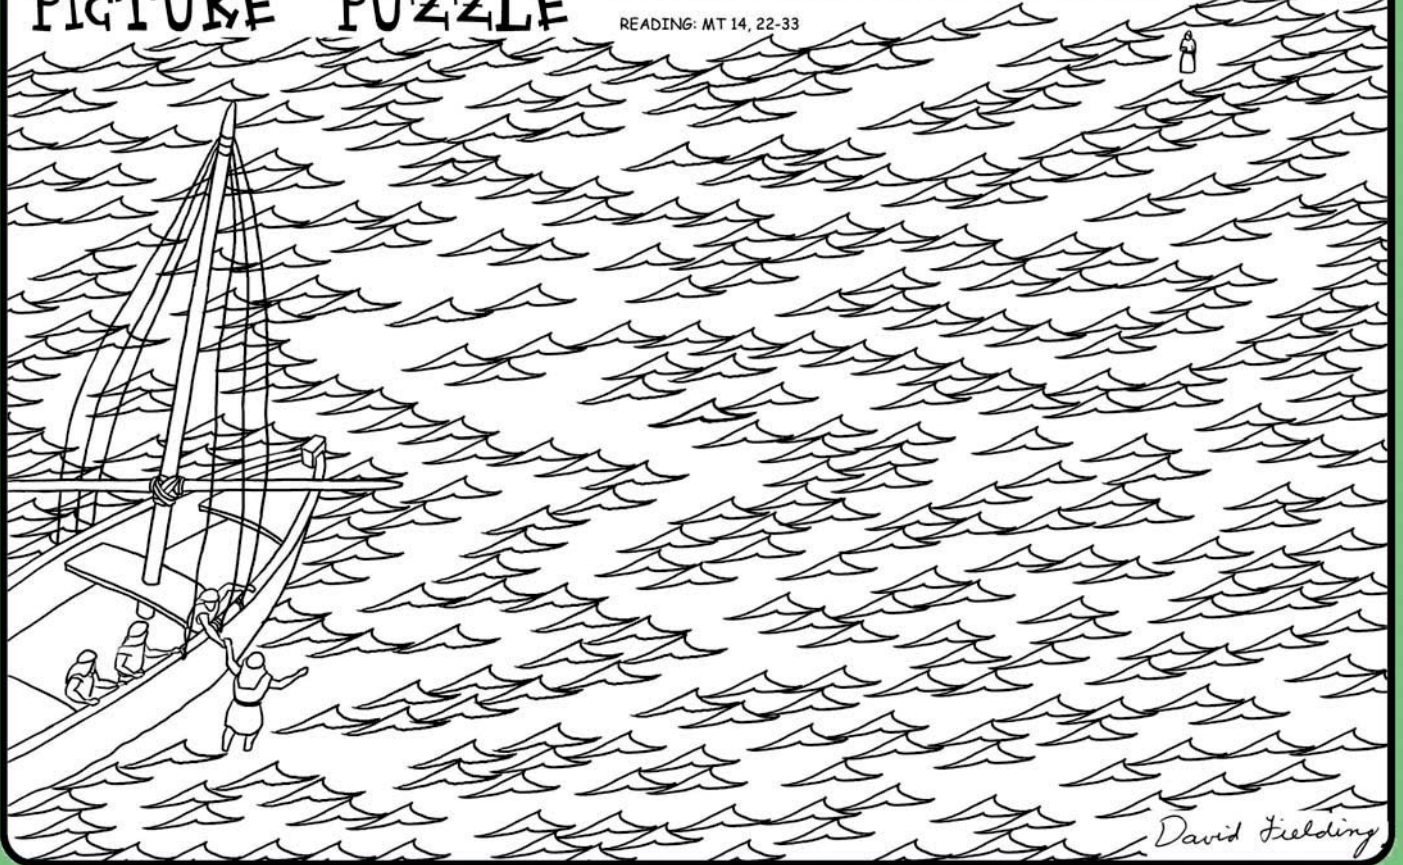

We can be surprised by the Lord's Presence, too. In odd moments, places and situations, we can come face to face with Him and fail to recognize Him. In the weak and helpless, in the annoying and unloving, in the old and the young, the Lord is present. We are invited to walk with him; will your faith and courage hold out?

"HIS TREATMENTS ARE LIFE CHANGING"

***"Finally! A local Doctor is helping patients live free from the constant pain and suffering associated with
Peripheral Neuropathy!"***

Maureen S. of Hingham MA survived breast cancer only to be living a life in constant pain. She felt as though she were walking on pins and needles, becoming weaker and weaker every day. "I was beginning to be worried that one day I would be wheelchair-bound."

**Nearly half of the patients who
undergo chemotherapy will develop
Chemotherapy-Induced Peripheral
Neuropathy or CIPN.**

Chemo meds travel throughout the body and attack cancer cells; sadly they can also cause severe damage to healthy nerves. When asked how CIPN was affecting her quality of life, she responded, "It was difficult to even walk up and down stairs and do other things we usually take for granted."

The most common symptoms include:

- **Pain, tingling, burning, weakness, or numbness in arms, hands, legs, or feet**
- **Sudden, sharp, stabbing, or shocking pain sensations**
- **Loss of touch sensation**
- **Clumsiness and trouble using hands**

• Loss of balance and falling

Fortunately for Maureen, Acupuncturists Bryan and Jimmy Duong of New England Wellness Solutions are using the time-tested science of Acupuncture combined with modern technology to increase circulation and expedite healing to treat this debilitating disease. After a series of treatments, Maureen was taking stairs with a stride!

**"We have a beach house and it's upstairs.
This morning I walked right down the
stairs and got in the car," Maureen shared.**

**"I remember thinking 'that's become
mighty easy for me', I didn't have to hold on
to the handrail or anything! It's life-
changing to have this mobility back!"**

For years, brothers Bryan and Jimmy have been reversing the effects of CIPN and other varieties of Peripheral Neuropathy, including that caused by diabetes, without invasive surgeries and medications that come with uncomfortable side effects.

If you've recently beat cancer only to find that you're living a life in constant pain and discomfort or you're struggling with the same symptoms as a result of either Idiopathic Neuropathy or Diabetic Peripheral Neuropathy, Acupuncturists Bryan and Jimmy and the incredible team at NEWS can help!

NEWS's success stories have been repeatedly spreading around all of Massachusetts. Bryan and Jimmy are now accepting new patients, but only for a limited time. To determine whether or not you are a good candidate for the personalized and comprehensive treatments, an initial consultation is required. Call (781) 829 - 9355 today to schedule!
