### Fourth Sunday of Advent

Mary is expecting someone else's child? As Joseph wrestles with this difficult fact and its many challenges, God reaches out to reassure him. Joseph doesn't know *what* will happen next, *why* this is happening, or *how* he can possibly be the right man for this job, but Joseph knows the *who*—he knows God—and that's enough. If Joseph had a motto, it would likely be Psalm 37.3: "Trust in the Lord, and do good." It's how he lives his life. Time after time, Joseph trusts God and takes action. That faith gives him the courage to do the next right thing, It helps him take that next step. And the one after it.

Like Joseph, we can trust God even if we don't fully understand our circumstances. Especially then. Like Joseph, we can be *en-couraged* to do that next right thing just because God asked.

What is God asking of you? What plans might he be asking you to rethink? What challenge might he be asking you to face? Who is he entrusting to your care? If you are feeling anxious, confused or unprepared, remember: God is with you. Trust God and do good, knowing he will give you all you need to do the next right thing—for he is with you every step of the way.

## Society of St. Vincent de Paul ~ Corpus Christi The Gift of the Giving Tree

A beautiful little girl named Elizabeth stopped me one Sunday to say that I was holding her gift from the Giving Tree. We looked at the tag, which said clothes for a one year old girl. I told her the clothes were beautiful and asked if she had helped to choose them. She nodded. I said "Elizabeth, this is going to be the best present this little girl gets for Christmas." She very solemnly replied, "I like to give clothes to people who don't have any. I feel so bad for them." From the mouths of babes...

Our parish is blessed to have parents and parishioners who teach and show such generosity in giving to those in need. In the midst of so much darkness in the world, you are spreading the light of Christ to the next generation, bringing a sense of hope and peace to the world.

Thank you Elizabeth. Merry Christmas!

## ADVENT & CHRISTMAS TRADITIONS

We are all at different stages in our lives and experience life differently; single, newly-married, parent, empty-nesters, grandparent, widowed, grieving, and so much more. As we experience change in our lives, we may not be able to celebrate exactly the same way we always have.

Changing our traditions is not always easy. Creating new traditions is exciting. Start simple; focus on the traditions you value most, and include the ones that best reflect you and most of all, focus on Jesus.

- ♦ Take a walk as a family, enjoying the lights and decorations in your neighbourhood or in the community
- ♦ Bake cookies together; make a few extra batches to share with a neighbour or relative who may be alone.
- ♦ Share memories about the person you missing through death, illness or distance, with others
- ♦ Take time to read the story of CHRISTmas in the Gospel of Luke, chapters 1 and 2
- ♦ Does someone you know need prayers? Have you asked someone how you can pray for them? Praying for others is a powerful way we can prepare for the coming of Christ

*Remember to be kind and gentle to yourself and others.*

*You are not alone. "Emmanuel" means "God with us".*
