SOUTH WINDSOR CATHOLIC FAMILY OF PARISHES

27th Sunday in Ordinary Time

"The stone that the builders rejected has become the cornerstone."
Matthew 21:42

Reflection – Twenty-Seventh Sunday in Ordinary Time

Today's readings remind us that God's relationship with His people is a love story expressed through the image of a vineyard. Isaiah shows us a God who spares nothing in cultivating His people, yet finds wild grapes where He hoped for justice and mercy. Jesus deepens the image in the Gospel, revealing that the true challenge is not the vineyard itself, but the tenants who forget that everything they have is entrusted to them. **The vineyard belongs to God; we are stewards, not owners.**

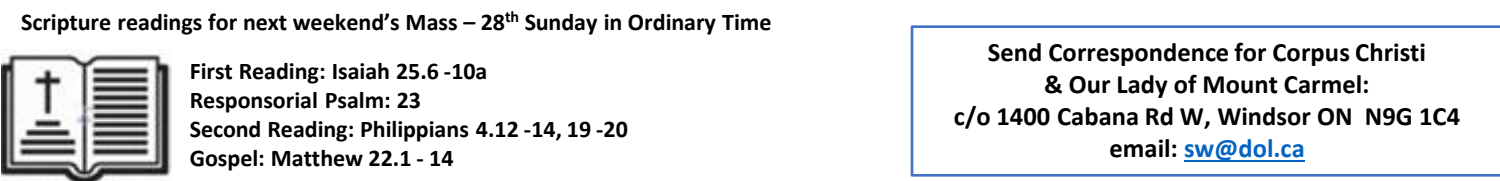

This message speaks directly to our **mission** as the South Windsor Catholic Family of Parishes. Christ asks us to examine the fruit our lives and communities are producing. *Are we simply maintaining what we have, or are we growing as disciples who bear fruit that lasts? Do we welcome Christ when He comes to us in the poor, the lonely, the difficult, and the unexpected?* A grateful heart naturally becomes a serving heart, and stewardship becomes the way we offer the vineyard back to God with humility and joy. **Where have I acted as if the parish belongs to me, rather than to Him?**

As we continue building our shared mission, these readings invite us to deepen our **gratitude for all God has entrusted to us**—our parishes, our ministries, our gifts, and one another. Gratitude leads to generosity; generosity leads to service; and service leads to the kind of fruit God desires. May our Family of Parishes be a vineyard that reflects Christ's love, bears abundant fruit, and welcomes every person as a gift from God.
