

- I will make myself available throughout the week for my SLT responsibilities. I understand that regular CSC activities such as Mass and Wednesday night activities are a part of my responsibilities. I understand that my role as an SLT member is to motivate and engage the community. I understand that if I find myself doing “all the work,” I failed in my role as a leader and I will IMMEDIATELY speak to Fr. Alvin, Betty, and/or Stefani about this and seek their help and advice.
- I understand that as a leader I must also set an example. I agree that my conduct at the CSC should be exemplary and that my behavior outside the CSC should reflect the teachings of the Catholic Church, to the best of my abilities. I also agree that I should hold others accountable to this standard through fraternal correction, as appropriate.
- I understand the above responsibilities but I also understand that the entire reason I am at WTAMU is to further my education. I agree that if my SLT responsibilities interfere in any way with my education I will immediately discuss the matter with Fr. Alvin, Betty, and/or Stefani.
