Family Perspectives "Ten were cleansed were they not? Where are the other nine?" Today's Gospel leads us to an understanding that while ten were cleansed and healed of their affliction, only one had a change of heart. Jesus shares that this one that returns - the Samaritan - isn't only cleansed of his skin but his faith was impacted, and he is on the journey to a new life. When has Jesus touched your heart? How deep does it go? Are we like the nine that return to our lives or are we like the tenth that experiences conversion?
