## JULIO 16 -FIESTA DE LA VIRGEN DEL CARMEN

La Virgen del Carmen es la Virgen María, la Madre de Jesús y por ello Madre Nuestra. La historia de la Virgen del Carmen nace con el profeta Elías. Según la tradición carmelita, el 16 de julio de 1251, la imagen de la Virgen del Carmen se le había aparecido, a San Simón Stock, superior general de la Orden, entregándole el escapulario, principal signo del culto mariano carmelita, prometiendo librar del castigo eterno a los que lo llevasen. La Virgen del Carmen también es llamada Estrella del Mar y es patrona de los marineros, conductores y fuerzas armadas de varios países.

### July 18, 2023: THE WORK OF PASTORAL PLANNING

As we begin pastoral planning in our parish, it is important to acknowledge that for the work of pastoral planning to be fruitful, it is essential that it be sustained through *prayer*. Ultimately, God's purposes inform all our action, and all our action ought to be oriented toward God. Moreover, it is the Holy Spirit who animates the Church and enlivens our shared life within parishes, schools, and other ecclesial institutions. As we begin our pastoral planning process, our community of faithful is asked to commit to praying in earnest for the success of the planning. One of the most essential pieces of pastoral planning occurs through the *act of listening and discernment*. We are called to listen first to Christ, but also to the faithful (YOU!) and to those in a position to impart elements of wisdom. The information provided by the Disciple Maker Index (DMI) survey, which many of you responded to with feedback in February and March, allows us to take a big-picture look at how the parish is currently serving our faithful. As our pastoral planning continues, there will also be opportunities for members of the parish to share their experience of the parish; to come together to share their thoughts, dreams, and frustrations.

*The Diocese of Pittsburgh and Catholic Leadership Institute for Evangelization and Pastoral Planning*
