***"Hear me all of you and understand. Nothing that enters one from outside can defile that person; but the things that come from within are what defile."***

**-St. John**

My youngest sister, Lucia, received from college an undergraduate degree in dietetics. While she only worked in that field for a short time, before switching her career and raising a family, I do remember her coming home from school with all sorts of "dietary rules". One of the rules that she claimed her professors told her was that you must throw out any leftovers in the refrigerator after just 48 hours!!!

I thought of that the other day when I had a serving of peas in the back part of my refrigerator that had been there for at least a week or longer. I smelled them. They smelled fine. I ate them. They tasted fine and I had no adverse reactions.

I remember when I was young, our dog of mixed breed would bury the squirrel or rabbit that he had caught and dig it up a week or two later to enjoy. My Dad said that it was the dog's way of canning or curing meat. Decomposition actually made the meat more palatable to this creature. Certainly that behavior was given to them by God through animal instinct, but it is not certainly the proper means to eat for us human beings. (Having been on a farm with numerous dogs, I can truthfully tell you, no dog will ever "lick" or "kiss me".)

"You are what you eat!" No one believed this more passionately than the ancient Jewish people. They had so many dietary restrictions. They could not eat pork. They could not eat blood. They needed to fast certain days of the year. The list of dietary rules was far more intense than our abstaining from meat on Fridays during Lent or fasting on Ash Wednesday and Good Friday.

In this weekend's gospel for the 22<sup>nd</sup> Sunday in Ordinary Time, one might conclude the Good News is the Lord's elimination of the spiritual dietary rules of the Jewish faith. From that false conclusion we might equally conclude that we neither have to fast nor abstain during the Lenten season or any other time through the calendar year. This would equally be spiritually incorrect.

No, the point of the gospel is not about FOOD, it is about FAITH. It is not so much about our STOMACHS, but more about our SOULS. The Good News is not so much about our physical DIET, but rather the spiritual things in our life that DEFILES us, namely sin. The Lord specifically lists those spiritual sins that have the power to defile us from EVIL THOUGHTS: UNCHASTITY, THEFT, MURDER, ADULTERY, GREED, MALICE, DECEIT, LICENTIOUSNESS, ENVY, BLASPHEMY, ARROGANCE, AND FOLLY. Through the evangelist St. John, the Lord reminds us that it is these sins that defile the soul and sour the stomach of the Savior for our eternal redemption.

To eat the peas that have been in the back of the refrigerator or not to eat the peas is not the question. Rather, the question is that I am striving to practice my faith and trying my best to imitate Christ in all that I say and do each day of my life from morning breakfast to that late night snack. May the Holy Eucharist be our divine nourishment to holiness in this life and eternal life in the world that is to come. Summer blessings!

## FALL FESTIVAL - NOVEMBER 8, 2015

We will be returning to our old, long-standing tradition of having an annual Fall Festival at Holy Rosary. The date has been set for Sunday, November 8<sup>th</sup>, 2015. *(The Parish Auction that we had last spring was a strong indication of your great spirit to advance the stewardship and community spirit of our parish.)*

This time of year is well-suited for a festival as it is an “in-between” time for many sporting events and the parish festivals in the area have come and gone. I shared with the Finance Council that I as pastor would be willing to chair the festival (as I did a couple of years in a previous assignment. Unless there is a couple or some individuals that would like to step forward to chair?)

Right now we are looking for members on our steering committee to get the festival off the ground. I can already tell you that we will be up in profits from a year ago....since we have not had a festival for years. In speaking to some folks around the parish I already have some individuals that are willing to be on the committee. How about you? Just call the parish office and let Elaine know that you would be willing to help in any way. There is a great deal of work in the day but it is also a great day to renew and build friendships and to work together as a parish family. Ready? Set? Let's do this!

**IT'S TIME TO SING!**

The next season of choir is just around the corner and I invite YOU to join us! Yes, you - the young and the wise alike!

Singing in a choir REJUVENATES us and gives us a **more personal and rewarding involvement in the Mass and parish community**, I ask you to prayerfully consider offering your God-given talent in the ministry of Holy Rosary and to praising our Lord in song.

Not sure about your vocal range or singing ability? No worries! I will happily meet with anyone for a pre-choir lesson to help you feel comfortable with your God-given voice.

**Parents of young people in grades 7-12**, please encourage your children to join the choir as well (a fun bonding-time if you join together?!). Singing in a choir is a fantastic way for our youth to enrich their faith!

**We will be hosting a KICK-OFF POTLUCK after the 10:00 am Mass on September 20<sup>th</sup> at Wheeler Park and I invite you and your family to come on out if you are interested in joining the. In addition to the great food, it is a chance to meet the choir, get any questions answered and sign up!** (Kindly bring a dish to pass if you are able - feel free to drop it off in the church kitchen before Mass if you don't want to leave it in your car.)

Please contact me if you are interested!

**MUSICIANS & CANTORS NEEDED**

Just a reminder we are always in need of song leaders and accompanists at Holy Rosary.

**LOYOLA CATHOLIC SCHOOL NEWS**

Faculty and staff continued to meet last week studying the research done by Marzano and Hattie and exploring factors that impact learning: the importance of the *teacher* in student achievement; the roles of differentiation, assessment, and expectations in student learning; and the importance of collaboration and mentoring among staff members. Our study and sharing helped us to recognize and appreciate the gifts each person brings to our school community. This research will be the framework of our professional development for the coming year.

We held orientation for new K-4 families last Tuesday; orientation for intermediate students and their families on Wednesday; conferences for Kindergarteners and their families on Wednesday and Thursday; and classroom meetings for our students in grades 1-4 and their families on Thursday evening. Open House for 5th grade and Mini School sessions for grades 6-8 and 9-12 are planned for the coming weeks.

K-12 classes begin on September 1, and Preschool begins with "Hello Days" on September 8 and 9.

Our all school/back to school Mass will be on September 11 at 1:00 in the Sisters' Chapel. We are celebrating 150 years of Catholic Education in the Mankato area as Loyola continues to educate students in an atmosphere of faith, academic excellence, leadership and service. All are welcome.

**BLESSED JUNIPERO SERRA, to be canonized in Sept by Pope Francis was a**

Franciscan priest who founded nine of California's missions, was a model of perseverance and strong faith. Despite a chronic foot infection, Serra walked more miles in his career than the expeditions of Lewis and Clark and Marco Polo combined, all to spread the Good News. It was perhaps providential that the founders of Serra International, the organization of lay Catholics who promote vocations, chose Fr. Junipero Serra as their patron in 1935. Now, even more than then, the work of promoting vocations requires perseverance and strong faith. Please continue to pray for an increase in vocations to priesthood, sisterhood, and brotherhood, and for the canonization of Blessed Junipero Serra. *Presented by The Mankato Serra Club for priestly and religious vocations for more information call 507.696.8119.*

**SOCIAL CONCERNS COMMITTEE - RETURNING**

Several months ago a couple of parishioners approached me about returning to having a Social Concerns Committee. The committee met several times a year and was quite active during the pastorate of Fr. Ed Ardolf. As pastor, I am most supportive of such a committee and we certainly have a large enough parish and community to sustain an active Social Concerns Committee. I am most grateful to JoAnn Borchert who had agreed to chair this newly formed committee. She had been able to recruit some 14 members for this important committee that will be dealing with the social issues of our parish and Mankato community. Thank you to all of the members for saying "YES", in the name of faith and our Catholic Church. Our first scheduled meeting will be early this fall.

**WANTED: ROOM OR SMALL APARTMENT TO RENT**

My great-nephew will be attending school this year here in Mankato & needs a place to live. He doesn't need a large space & I can vouch for his responsibility & his "clean living". He is 21 years old. If you have something to rent, please call or text Dylan Cole directly at 214-801-8772.

*Thanks, Maggie Bennett.*
