### Community Service Form for Confirmation 2024

We encourage you to participate in many different forms of service, but it is not required to have an act of service in each category below. These are just suggestions. Community Service opportunities will be sent out throughout the year via email for opportunities in our Pastorate, but you are encouraged to participate in other activities as well. The opportunities we will offer will not be able to fulfill every candidate's 15 hour service goal.

- ◆ How did your sacrifice and work make you feel?
