

October 4, 2020
27th Sunday in Ordinary Time
Matt. 21:33-43

Theme: God expects us to bear good fruit in our lives.

Jesus said to the chief priests and the elders of the people: "Hear another parable. There was a landowner who planted a vineyard, put a hedge around it, dug a wine press in it, and built a tower. Then he leased it to tenants and went on a journey. When vintage time drew near, he sent his servants to the tenants to obtain his produce. But the tenants seized the servants and one they beat, another they killed, and a third they stoned. Again he sent other servants, more numerous than the first ones, but they treated them in the same way.

Finally, he sent his son to them, thinking, 'They will respect my son.' But when the tenants saw the son, they said to one another, 'This is the heir. Come, let us kill him and acquire his inheritance.' They seized him, threw him out of the vineyard, and killed him. What will the owner of the vineyard do to those tenants when he comes?" They answered him, "He will put those wretched men to a wretched death and lease his vineyard to other tenants who will give him the produce at the proper times." Jesus said to them, "Did you never read in the Scriptures: 'The stone that the builders rejected has become the cornerstone; by the Lord has this been done, and it is wonderful in our eyes?' Therefore, I say to you, the kingdom of God will be taken away from you and given to a people that will produce its fruit."

QUESTION 1 (for children): What makes you feel peaceful inside? What makes you feel restless?

QUESTION 2 (for youth): What strategy do you follow as a young adult to produce good fruit in your life? What service do you render to others?

QUESTION 3 (for adults): Have you focused solely on your family and friends and left the greater society around you to look after itself? How will you change this?

What's Happening at the Adoration Chapel?

It has been heartening to see how many people have been longing for the reopening of the Adoration Chapel. It is one of the most popular and successful ministries of our parish. Why, then, have we been so hesitant to reopen it when other churches have reopened theirs? The two populations who frequent our particular chapel are the elderly and the students of Tulane and Loyola. Under normal circumstances, to have this blend of the young and old is a great gift, but during the pandemic, this blend is a dangerous mix. We potentially are putting together one of the most vulnerable populations with one of the populations most likely to spread the virus. Because of our proximity to the universities then, we must be more cautious than most regarding when we open the chapel during the pandemic. To that end, we have put together a formal and official policy that will inform our decisions. The policy is spelled out in detail below, but the bottom line is this: **when Covid numbers are high and/or on the rise in Orleans Parish, we will close the chapel. When the numbers are low and/or on the decline, we will open the chapel.**

At the moment, Orleans Parish—and Louisiana in general—is enjoying a respite from the terrible outbreaks we've experienced in the past months. Therefore, I am delighted to say that **we have reopened the Chapel (on a limited basis).**

Nationally, there is talk of yet another surge. As of September 24th, as many as 22 States are suffering from an increase in Covid cases. So far, Louisiana has been spared from this latest round, but we need to remain cautious and prepared to reclose the chapel if—God forbid—our number of cases begins to rise again in Orleans Parish. Experts are now predicting that the pandemic may well be with us through much of next year, so it may well be that we'll have to reclose and reopen the chapel a number of times before the pandemic finally passes. These are difficult times requiring painful decisions and hard sacrifices. Please be patient and understanding.

Mark E. Thibodeaux, SJ

A Prayer for the Week (27th Sunday in Ordinary Time)

Father, your love for us surpasses all our hope and desires. Forgive our failings, keep us in peace and lead us in the way of salvation. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

Newcomers' Meeting Oct 4

After the 10:30 mass in the nursery/confessional at the back of the church on the Loyola side.

Picture of termite damage

"Open Wide Our Doors" Campaign

This summer we learned that the side entrance to the Church had been attacked by termites that caused significant damage to the exterior doors, interior doors, closet area. The termite situation at this time is under control (no termites). A contractor who is a master carpenter, has been hired to restore the doors to their original state, and to repair the other damage.

The total cost of the project is \$70,000, for which the parish is responsible. We ask you to consider giving to our Church Door Repair Fund to help offset this cost. **A second collection will take place the weekends of September 27, October 4 and October 11. Online donations can be made through our website or parish app by selecting the "Church Door Repair Fund."** We thank you for your generosity!
