Principal's Perspective

Dear Holy Name of Jesus Community,

At the 10:30 AM Mass this past Sunday, the HNJ Community sent our 7th-grade students off to their retreat with a blessing and promised prayers. During his homily, Fr. Mark talked about vulnerability. He discussed how power comes with vulnerability pointing out how a baby can change everyone, even the most "powerful" and most "sinful" among us. A baby has the ability to make us stop, rethink our actions, and tend to their vulnerable needs.

I have noticed that our 7th-grade students do this very well; they tend to take care of those who are in need and those around us who are the most vulnerable. Again, I am so proud of this group of leaders. They will no doubt bring back many fruits from their retreat that will be cultivated over the next few weeks. It makes me smile! Thank you to the teachers who worked so hard to put on this retreat and to the parents for entrusting their children to us.

This Wednesday is our Community Dinner at 6 PM in the Parish Center. The Women of Wisdom ministry group is hosting this dinner. This is a great opportunity for our school families to socialize with our amazing and supportive HNJ parishioners. And, you get a free meal for your family! Families can park on the blacktop and walk across the street behind the Parish Center to enter the Faber room through the patio. There is also a quaint, little yard with a prayer section around the back corner for those children who want to spend time running around and enjoying their socialization!

Our parish is always booming with events and activities of all kinds. Check out the weekly bulletin for more information: <https://hnjchurch.org/parish-bulletin>

God Bless,
Kirsch J. Williams

Let's Make a Difference... Together!

We are in an exciting time of growth here at Holy Name. Our enrollment is growing; our students are excelling academically and are being accepted into their high schools of choice; and this fall we will break ground on a brand new Little Gators Early Childhood Center, along with the first phase of our new school gym!

Our Annual Giving Appeal is something we do every year to support the school's annual operating budget. We rely on your gifts to help bridge the gap between what parents pay for tuition and what it actually costs to educate each student. This campaign is separate from our Capital Campaign, which raises funds for capital improvements. Gifts to the Annual Fund help support our Mission, including:

- Attracting and retaining highly qualified teachers with competitive salaries,
- Providing tuition assistance for families who need it,
- And equipping our students with the resources they need to strive for their personal excellence.

NURSE'S NOTES

ABBY DONNELLY,
SCHOOL NURSE

RETURNING TO SCHOOL AFTER BEING SICK REMINDERS (From the Student & Family Handbook)

- To return to school, the child must be free of symptoms for at least 24 hours without medication.
- If a child is sent home with fever, vomiting, or diarrhea, he or she may not return to school the next day.
- We understand that all parents need to work, but your child's health is important. Likewise, keeping the teachers and all the other children free from illness is also important.
- This means if you pick your child with symptoms up from school at 10 am, they may not return to school the next morning.
- The 24 hours begins when your child's symptoms have broken and remains in a normal range without medication.
- Do not give a child fever reducing medication and send them to school.
- A parent will be contacted to pick up a sick child when the child exhibits any of the above.
- A call to a parent will be made if a student reports experiencing any symptoms within 24 hours or less upon their return to school. Call the school office for further guidance.

All-State Honor Choir Auditions Complete

Congratulations and good luck to the following 4th through 7th grade students who have been striving for excellence! After many rehearsals with Mrs. Ptak and also practicing on their own, students learned two songs and completed a recording of their very best vocal performances. These students will receive a score from music professionals from across the state of Louisiana. Some of these students may score high enough to be accepted into the 2024 All State Honor Choir!

Music Collaboration with Loyola University

Kate Duncan, Director of the School of Music & Theatre Professions brought the Loyola Jazz Vocal Ensemble to HNJ School this past Thursday. Our middle school choir members got to watch Professor Duncan as she ran a college level rehearsal right in our HNJ music room. She spoke about and demonstrated how to work on vocal blend, chromatic scales, rhythm, improvising, "crunchy" notes, and how even tiny differences in the way we sing can make a big impact on the music! We love our collaborations and partnership with Loyola University!

Happy Hispanic Heritage Month! ¡Feliz Mes de la Herencia Hispana!

In honor of Hispanic Heritage Month (September 15 - October 15), we will have a wall display with photos to celebrate the Hispanic American community here at HNJ.

If you would like to be included, please send in a few family photos with your child's name on the back and the name of the Spanish speaking country or countries of their heritage. Students in PreK-3 - 3rd grade should bring their photos to the main office, and students in 4th - 7th should bring their photos directly to their Spanish teacher. All photos will be returned at the end of October.
