## Principal's Perspective

Dear Holy Name of Jesus School Community,

I would like to take a moment to celebrate two of our HNJ leaders who also serve as spiritual leaders in their faith communities, living out our mission to spread God's love through word and action. First is **Jeremiah Smith**, our Director of Facilities, whose journey through the Bachelor of Ministry and Theology program at the Loyola Institute for Ministry (LIM) was transformational. Through his studies, Jeremiah discerned a call to serve in the Episcopal Church and is now pursuing ordination as a priest. Since graduating, he has become an Aspirant to the Priesthood and serves as a ministry intern at St. Martin's Episcopal Church in Metairie, Louisiana. A major milestone came on September 7, when he delivered his first sermon, a moment that reflected both courage and deep faith. Once uneasy with public speaking, Jeremiah found his voice through the encouragement of LIM Director Dr. Tracey Lamont, who invited him to speak at the 2023 commencement liturgy. Jeremiah's journey reminds us how God works through our gifts and challenges to shape us as witnesses of His Word. *Check out his sermon and more about his story here: [Loyola Institute for Ministry](#).*

Secondly, **Langston Terrel**, our Athletic Director, continues to live his faith boldly within his community at Asia Baptist Church of New Orleans, where he recently spoke at the Men's Day Service on September 28. Centered on the theme "*Courageous Men*," Langston shared a heartfelt reflection on standing firm in faith and relying on God during life's most difficult moments. His reflection is based on 1 Corinthians 16:13. He also spoke about visiting his wife's church to better understand her faith, an act that beautifully captures humility, love, and a desire to grow in God's presence. Langston and his wife now raise their two boys in that same spirit of devotion, modeling faith in both family and leadership. We are grateful for the example he sets at HNJ, showing our students and community what it means to walk with courage and share God's word in everyday life. *You can view his reflection here: [Asia Baptist Church Facebook Page](#).*

We are grateful for these two leaders who emulate what it is to be Men for Others!

God Bless,  
Kirsch J. Williams

## Growth Mindset

Whether a student holds a fixed mindset or growth mindset significantly impacts their learning experience—from elementary school to high school. Students that hold a fixed mindset give up when they can't solve a problem and admit defeat. This can be detrimental to students' future efforts and leads to limited student growth.

With a growth mindset, students continually work to improve their skills, leading to greater growth and ultimately, success. The key is to get students to tune into that growth mindset. What's the right approach?

First, focus on strategies not effort. Instead of, "Great effort, you really tried!" say, "That isn't working. What else can you try?"

# High School Information

It's an exciting time for our 5th-7th grade students as **high school admissions** events are starting to take place! Middle School students have many opportunities to explore the various Catholic High Schools in order to identify the school that best suits their unique interests and abilities! We strongly encourage students to experience on-campus events, including Open Houses and Spend-a-Days. To schedule a Spend-a-Day experience or to register for other admissions events, visit the website of the high school(s) of your choice. Absences due to Spend-a-Day events are excused, but missed school work is still expected to be completed.
