Principal's Perspective

Dear Holy Name of Jesus School Community,

As we prepare for the 2025-2026 school year, we are excited to announce several leadership updates. We celebrate the retirement of **Ruth Blum**, whose dedication has greatly shaped our school community. Additionally, **Brianna Begault** will step into the role of **Assistant Principal**, bringing her expertise in teacher support and student well-being. We also welcome **Christina Calderaro** as **Assistant Principal of Academics (1st-7th Grade)** and **Maya Scheuermann** as **Director of Early Childhood (Infants-Kindergarten)**, both of whom will play key roles in strengthening our academic programs.

Furthermore, we are introducing a **Dean of Students, Anthony Chatham**, who will oversee student formation, behavior, and enrichment programs, including **PK4-7th grade Summer Camp** and **PK3-7th grade Later Gators**. This role will focus on fostering a positive school culture through a new House System, character development initiatives, and mentorship programs supporting all students. For full details on these leadership updates, please see the next page of the Gazette.

Test Pile Update: The test pile program is underway, marking a crucial step in foundation work to evaluate soil conditions, confirm load-bearing capacity, and verify pile design before full-scale installation. A limited number of test piles have been installed and will undergo load testing to measure settlement and structural performance. This process also includes soil analysis, monitoring pile driving resistance, and assessing friction and end-bearing capacity. Based on the results, engineers may adjust pile length, diameter, or material to ensure a structurally sound foundation. Over the next month, this careful evaluation will take place, and once complete, the remaining 200+ piles will be installed to support the full construction.

With two weeks left in Lent, let us remember to pause, reflect, and draw closer to the glorious mystery of Jesus, making the most of this sacred time for prayer and renewal.

God Bless,
Kirsch J. Williams

HNJ Leadership 25-26

Dear HNJ School Community,

As we prepare for an exciting 2025-2026 school year, I am pleased to share important leadership updates.

First, we celebrate the retirement of **Ruth Blum**, a beloved leader who has shaped Little Gators, discipline practices, and academics with her unwavering dedication. While stepping away from her full-time role, Ruth will remain connected to our community, and we look forward to honoring her at the end of the year.

We are thrilled to announce **Brianna Begault** as our new Assistant Principal. Having played a key role on our Administrative Team, Brianna's expertise in teacher support, parent partnership, and student well-being will be a tremendous asset. **Kaitlin Southwick** will continue to serve as the Director of Admissions.

Joining our team as **Assistant Principal of Academics (1st-7th Grade)** is **Christina Calderaro**, who will oversee curriculum and instructional leadership while fostering a faith-filled learning environment rooted in Jesuit values and cura personalis. We also welcome **Maya Scheuermann** as **Director of Early Childhood (Infants-Kindergarten)**. With our early childhood program expanding, Maya will ensure strong curriculum alignment, faculty support, and compliance while working closely with **Stephanie Rios**, **Director of Little Gators**. Both Christina and Maya will visit HNJ this spring to ensure a smooth transition.

Additionally, we are introducing a **Dean of Students, Anthony Chatham**, a role shaped by parent, teacher, and student feedback. This leader will oversee **PK4-7th grade Summer Camp and PK3-7th grade Later Gators**, while fostering a positive school culture through a new House System inspired by Ignatian saints. A proactive approach to **student formation and behavior** will emphasize responsibility, leadership, and faith-based character development, with special initiatives focused on mentorship and personal growth for all students.

We are excited about these changes and confident they will strengthen our school community. Thank you for your continued support as we move forward together!

With Excitement,

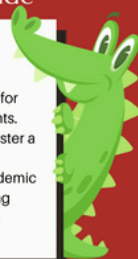

Kirsch Jones Williams, Principal

Christina Calderaro

Assistant Principal of Academics 1st through 7th Grade

- **Academic Innovation:** Supports the Principal in providing instructional leadership and ensuring the effective administration of academic programs for Elementary and Middle School students.
- **Personal Excellence For All:** Helps foster a learning community rooted in Jesuit tradition where faith, service, and academic excellence are central, while promoting cura personalis - the care of the whole person - in both students and staff.

We are thrilled to announce that Christina Calderaro will be joining our HNJ family as the new Assistant Principal of Academics for grades 1 through 7. Christina brings with her a wealth of experience and a passion for fostering student growth and academic excellence. A lifelong learner, Mrs. Calderaro earned her undergraduate degree in Applied Behavioral Sciences from the University of Holy Cross and a Master's in Education in Curriculum and Instruction with a concentration in Literacy from LSU-S.

Throughout her career, she has served in various educational roles, including Curriculum Coordinator for both Lower and Middle School and classroom teacher in Catholic, private, and public school settings. Christina is dedicated to educating the whole child, emphasizing the importance of both academic achievement and personal growth. As a Responsive Classroom educator, she is deeply committed to student-centered learning, data-driven instruction, and supporting teachers through effective curriculum design. She is excited to collaborate with our talented educators to create a nurturing and enriching environment for our students.

Outside of her professional life, Christina and her husband, August, are proud parents to three sons: August IV, Jackson, and Bennett. As a family, they enjoy traveling, dining out, and enjoying outdoor adventures together. We are excited for Christina to bring her passion, experience, and leadership to HNJ, and we look forward to the positive impact she will have on our students and school community.

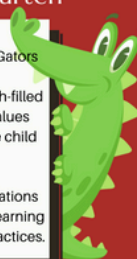

Maya Scheuermann

Director of Early Childhood Infants through Kindergarten

- **Academics:** Oversees the alignment of curriculum and learning targets for Little Gators through Kindergarten.
- **Cura Personalis:** Ensures a nurturing, faith-filled environment that aligns with our Jesuit values and fosters the development of the whole child through play-based learning.
- **Instructional Coach:** Supports faculty, maintains compliance with daycare regulations for Little Gators, and leads Professional Learning Communities to enhance instructional practices.

Maya Scheuermann was born and raised in New Orleans and comes to HNJ with over 15 years of experience in the education field. She attended Catholic schools from pre-kindergarten through high school. She graduated from the University of New Orleans in Interdisciplinary Studies with a focus on pre-law, business, and education. Maya continued her education by earning a Master's Degree from the University of Holy Cross in Curriculum and Instruction with Educational Leadership. She is happily married to her husband of 10 years. They have two children who will attend HNJ in the fall.

Maya has served in various roles in public and private schools as an educator, observer, PLC leader, grade level mentor, instructional coach, and she has taught pre-kindergarten through first grade. For the past three years, she has observed and coached educators and directors in daycare centers for multiple parishes, as well as early intervention for infants through three-years-olds.

Maya is excited to spearhead the expansion of Little Gators to accommodate our growing families and community at HNJ. She is passionate and dedicated to nurturing young minds and fostering a love for learning through play. Maya is committed to creating environments that inspire curiosity and growth. She is thrilled to join the HNJ family!

Anthony Chatham

Dean of Students 1st through 7th Grade

- **Director of Summer Camp & Later Gators:** Lead PK3-7th grade Later Gators and PK4-7th grade Summer Camp, ensuring safe, enriching experiences.
- **Student Formation & Behavior:** Foster a positive culture through an Ignatian House System and proactive character development.
- **Preventative Approach:** Promote responsibility, leadership, and faith-based growth, including programs for boys' formation.

Anthony Chatham is excited to take on the role of Dean of Students. Surprisingly, he had never planned on working in education. Following his graduation from Spring Hill College, he went into the Peace Corps and briefly attended Tulane Law School. He realized that law school was not his calling, and he found himself in Mass at HNJ and heard that Kirsch was looking for teachers.

After substituting at HNJ, Kirsch offered him a teaching position. With Kirsch's and Lizzie's guidance, as well as the other amazing 4th grade teachers, Tracy and Enola, and his mentor, Coach T, his professors, the other social studies teachers, Fr. Mark, and many others, he has had a great first few years teaching 4th grade filled with support. Anthony discovered how incredible the HNJ community is, and he is grateful to be part of such an active community, which he gets to be involved in both inside and outside of the classroom. To Anthony, HNJ is really more than just a school, but a very engaged and loving community.

He will miss teaching 4th grade students every day, but looks forward to growing more in his capacity to help others as a member of the leadership team. He looks forward to fostering a "cura personalis" mentality in our students, supporting them as children of God and helping them live out the mission of being for and with others.

Kids in the Digital Age

A major concern for parents raising children in the digital age is safety. How can parents keep children safe on the internet? The Department of Homeland Security have a few tips for parents:

Start a dialogue about your child's internet safety:

- What apps do you like?
- Who do you talk to when you play games?
- What pictures/ videos do you post?
- What would you do if someone sent you inappropriate images, etc.

Be proactive in protecting your children from risk on the internet:

- Establish rules about what they can share
- Learn about reporting options
- Help children set privacy settings
- Help create strong passwords
- Talk about friends lists
- Talk to children about how sharing personal information puts them at risk. Personal information includes:
passwords, home address, email address, location, home/cell number, school or sports uniforms, geotags
- Explain to children that a stranger talking to you at the mall is just as risky as a stranger talking to you online!

Help children to respond to inappropriate behavior online:

- Turn off screen
- Use back button
- Tell trusted adult
- Report it to website or app
- Report it to cybertipline.org

Visit Netsmartz.org for more tips on keeping children safe on the internet!

Music Notes

Thanks to the grant we have received from the New Orleans Jazz and Heritage Foundation, we have begun our vocal master class series open to students in grades 4-7. Students are working with expert clinician, Ms. Joel Dyson and pianist, Mr. Brandon Banks. At the next session, students will individually perform a solo and receive immediate, personalized feedback. Many common issues music students face are universal, so the lessons shared can be valuable to every student in the room.

This week's spotlight Gator is **Zoey Ochoa**, a track and field athlete at St. Mary's Dominican High School. Zoey graduated from Holy Name of Jesus in 2023 and has already made a name for herself on and off the track.

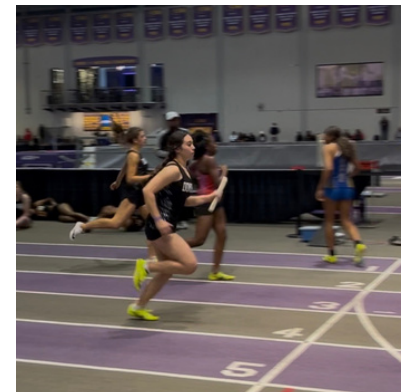

As a freshman, Zoey had an impressive start to her high school track and field career. She placed 2nd in the 4 x 400 meter relay and 3rd in the 400-meter dash. Additionally, Zoey received the prestigious Lou Reilly Award, given to an athlete who seeks ways to improve, gives their best effort for the team, and encourages their teammates.

Outside of track, Zoey excels academically with a 4.0 GPA. She is also actively involved in several extracurricular activities, including the Student Ambassadors, Student Council, and the Beta Club.

Though Zoey is unsure about where she wants to attend college, she is considering architecture as a potential major.

Reflecting on her time at Holy Name, Zoey expresses that she misses the HNJ community the most. Congratulations to Zoey on all her achievements! The HNJ community is incredibly proud of everything you have accomplished and the amazing person you have become.

Go Zoey and Go Gators!

Let's Make a Difference... Together!

We are in an exciting time of growth here at Holy Name. Our enrollment is growing; our students are excelling academically and are being accepted into their high schools of choice; and this fall we will break ground on a brand new Little Gators Early Childhood Center, along with the first phase of our new school gym!

Our Annual Giving Appeal is something we do every year to support the school's annual operating budget. We rely on your gifts to help bridge the gap between what parents pay for tuition and what it actually costs to educate each student. This campaign is separate from our Capital Campaign, which raises funds for capital improvements. Gifts to the Annual Fund help support our Mission, including:

- Attracting and retaining highly qualified teachers with competitive salaries,
- Providing tuition assistance for families who need it,
- And equipping our students with the resources they need to strive for their personal excellence.
