Holy Name of Jesus School Parent Newsletter

April 21, 2026

Principal's Perspective

Dear Holy Name of Jesus School Community,

Easter season is in full swing, and the joy of the Resurrection is alive in our school community. This past Friday, our students lifted their voices in a joyful "Alleluia" at Mass, a simple yet powerful expression of the hope and new life we celebrate during this sacred time. Their enthusiasm was a beautiful reminder that Easter is not just a single day, but a season of ongoing renewal and joy.

The Easter season in the Catholic Church lasts for 50 days, beginning on Easter Sunday and continuing through Pentecost. This year, the season concludes with the celebration of Pentecost, when we remember the coming of the Holy Spirit upon the apostles. These weeks invite us to remain rooted in the Resurrection, living as people transformed by Christ's victory over sin and death.

As a school grounded in the Ignatian tradition, we are called to live out this Easter joy in concrete ways. To be "Boys and Girls for Others" means bringing the light of the Resurrection to those around us through kindness, inclusion, and service. To "Find God in Everyone and Everything" challenges us to recognize the presence of the Risen Christ in our daily encounters: in our classrooms, on the playground, and within our families. Easter also calls us to "Strive for Personal Excellence," growing not only academically but spiritually, as we become more reflective, compassionate, and intentional in our actions. Finally, with "Open Eyes with Faith, Open Ears with Truth, Open Hearts with Love," we are invited to listen more deeply, love more fully, and respond with generosity.

May the joy of Easter continue to echo in our words, our actions, and our community life in the weeks ahead.

Easter Blessings!

God Bless,
Kirsch J. Williams

Cyber Safety

Kids in the Digital Age! A major concern for parents raising children in the digital age is safety. How can parents keep children safe on the internet? The Department of Homeland Security have a few tips for parents:

Start a dialogue about your child's internet safety:

- What apps do you like?
- Who do you talk to when you play games?
- What pictures/ videos do you post?
- What would you do if someone sent you inappropriate images, etc.

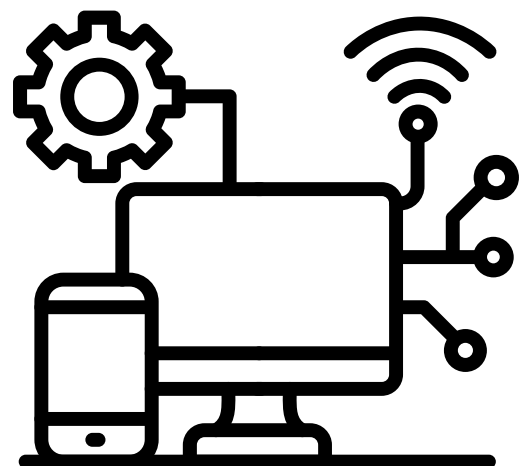

Be proactive in protecting your children from risk on the internet:

- Establish rules about what they can share
- Learn about reporting options
- Help children set privacy settings
- Help create strong passwords
- Talk about friends lists
- Talk to children about how sharing personal information puts them at risk. Personal information includes: passwords, home address, email address, location, home/cell number, school or sports uniforms, geotags
- Explain to children that a stranger talking to you at the mall is just as risky as a stranger talking to you online!

Help children to respond to inappropriate behavior online:

- Turn off screen
- Use back button
- Tell trusted adult
- Report it to website or app
- Report it to cybertipline.org

Visit Netsmartz.org for more tips on keeping children safe on the internet!
