FROM THE PASTOR'S PEN for Sunday, November 2nd, 2025

Dear Parishioners,

Roman Catholics traditionally observe the month of November as a time dedicated to praying for those who have died.

We remember those from our own families and parishes who have gone before us to the Kingdom of Heaven. At the same time, we remember that our lives will end, one day, in death. Remembering our own mortality and the hope of the resurrection in Christ is an essential dimension of Christianity.

Beginning November 1st, there will be a Memorial Book of Life in the sanctuary of all 4 of our Churches. Please feel free to place in these books the name of your deceased loved ones as they will be prayed for throughout the month of November at our weekday and weekend masses.

The Prayer for all Souls in November

The Lord bless them and keep them. The Lord make his face shine upon them and be gracious to them. The Lord lift up his countenance upon them and give them peace.

Eternal rest grant unto them O Lord and let perpetual light shine upon them. May they rest in peace. Amen

May their souls and all the souls of the faithful departed rest in peace.
Amen

For the month of November, I am very grateful to our retired priest who continue to help us from month to month in the absence of an associate pastor. This month we are blessed to have Father Gilbert Simard, Father Mike Parent, and Father Larry Brunet. Let us welcome them, like always, with open arms.

Christmas 2025 and New Year's 2026 Mass schedules will be inserted into our Family of Parishes bulletin November 22nd / 23rd, Feast of Christ the King.

God Bless,
Father Greg

Development & Peace - Caritas Canada

Let's take action to *Turn Debt into Hope!*

- Development and Peace — Caritas Canada invites us to join the global [Turn Debt into Hope](#) campaign. Together, in this Jubilee Year, we are called to act for the cancellation of the unjust and unpayable debts of the Global South.
- Our campaign also highlights the ecological debt that wealthy countries owe to many countries in the Global South that are caught in debt traps.
- Let's put people and the planet first by calling on creditors and political leaders to take action to end the debt crisis affecting dozens of impoverished countries. [Sign at devp.org/debt!](https://devp.org/debt!)
