33rd Sunday in Ordinary Time · November 13, 2022

Come, Holy Spirit, fill the hearts of your faithful.
And kindle in them the fire of your love.
Send forth your Spirit and they shall be created.
And you will renew the face of the earth.

Lord,
by the light of the Holy Spirit
you have taught the hearts of your faithful.
In the same Spirit
help us to relish what is right
and always rejoice in your consolation.
We ask this through Christ our Lord.
Amen.

Our Campaign Prayer

Eternal Father, Your Holy Spirit breathes life and gives beauty
to all Your creatures, and forms us in Your image.
Jesus, as You promised,
You send Your Spirit upon Your Church to embolden us always
to carry out Your mission.
Holy Spirit, poured out as love itself,
we turn to You; inspire us!
You who strengthened the faith
of those in every generation before us, inspire us today
to be courageous in our belief.
You who will remain always with us,
inspire us now to share what we have received
for our present good
and for the good of those yet to come.
Amen.

My name is Karley Wehrman and I am a UW-Stevens Point audiology graduate student. I am currently working on a research project to determine if access to training materials on hearing loops affects the perceived use and satisfaction of hearing loops in adult hearing aid(s) and/or cochlear implant(s) users. This survey will be placed at St. Anthony's if you are interested in participating.

To participate you have to be 18 years or older and use (a) hearing aid(s) or (a) cochlear implant(s). This survey is completely anonymous and will not contain any personal information such as your name, actual age, etc. This survey should only be completed once per person and can be completed either on paper or online. The online link to this survey is https://uwsp.az1.qualtrics.com/jfe/form/SV_1zV1zlu5RFhTNPg

The paper surveys will be placed at St. Anthony's Church on the ground level near the elevator. The results of this survey may benefit audiologists in the future from a greater knowledge about the effect of training materials on hearing loops. Thank you for your consideration in participating in my survey!
