#iGIVECATHOLIC

To celebrate and support the charitable, educational, and spiritual ministries of the Diocese of Lafayette, we are rallying the Catholic community by participating in the ninth-annual **#iGiveCatholic** Giving Day. We will celebrate this day of Catholic giving on Tuesday, November 28, 2023, also known as #GivingTuesday, a global day devoted to generosity and kindness.

Why are giving days important for our parishes, schools, and ministries of the diocese? Research shows that:

- Giving days are attractive to a broad range of parishioners, alumni, and supporters—from individuals in their 20s through their 70s *and beyond*.
- Giving days are a great way to attract new and younger supporters, as well as further engage current donors, ensuring long-term sustainability. In a 2022 donor survey, 14% were new donors to the organization they supported!
- **Compared to traditional campaigns, staff/volunteer time required to launch a giving day is 50% to 75% less.**

We believe in the generosity of Catholics in our diocese, and the events in the last few years have indeed shown us the importance of engaging online all of our supporters. Working with all our Catholic parishes and ministries, our goal is to unite the Catholic community in support of your life-changing work. To generate excitement, we will offer prizes to participating organizations in our diocese. Stay tuned for more information on our prizes.

Enclosed in this packet is more information about **#iGiveCatholic**, the U.S. Church's Giving Day. We are excited to begin this journey, and we sincerely hope you'll join us by enrolling your organization to participate!

10 Reasons to Participate

Tuesday, November 28, 2023

- #1 **It's Easy.** We provide logos, plug and play email templates, customizable graphics for marketing and social media as well as all the other resources you will need to create a communications campaign for your constituents and donors.
- #2 **It's Quick.** The "Just One Thing" 12-week email series offering one manageable task per week will allow for plenty of time to plan and execute a successful Giving Day.
- #3 **It's Fun.** Rally support by spreading the good news about the impact and mission of your school, parish, or ministry, to the community.
- #4 **Build Relationships** with supporters of all ages and those you would not usually have access to and want to give online. In 2022, 52% of participating organizations said #iGiveCatholic allowed them to further engage their supporters
- #5 **Everyone will be talking about the day,** creating a social media frenzy on Facebook, Instagram, Twitter and in person!
- #6 **You might win a prize.** And that means more resources for your organization and the good work that you do OR you can use matching donations to encourage giving to your organization.
- #7 **Promotes Online Giving.** Last year 68% of participating parishes, schools and ministries said the #iGiveCatholic Giving Day promoted online giving to their organization.
- #8 **Boost Your Digital Outreach.** You'll have lots of Giving Day news and stories to share in your e-newsletters and social media posts. 89% of 2022 donors said they heard about the Giving Day through an email or e-newsletter from the organization they supported.
- #9 **Everyone Can Give.** Donors can give "offline" gifts (cash or checks) directly to you! Be sure to record their gift in your Giving Day dashboard, and if you include their email address, they receive the automatic tax receipt.
- #10 **It's Easy.** This is worth repeating. Send a few emails, and ask your key volunteers to do the same. Be creative. Did we mention it's easy?!

About the #iGiveCatholic Giving Day

Celebrated annually on the Tuesday following Thanksgiving, Black Friday, and Cyber Monday, **#iGiveCatholic** is a Giving Day that kicks off the charitable season and brings the Catholic community together to give thanks and give back. As the U.S. Catholic Church's Giving Day was created to celebrate our unique Catholic heritage, **#iGiveCatholic** inspires faithful stewards to "Give Catholic" on #GivingTuesday, a global day of generosity.

The goal of **#iGiveCatholic** is to rally our Catholic community in support of our parishes, schools, and ministries. Secure, tax-deductible donations to eligible Catholic organizations located in participating arch/dioceses are given at iGiveCatholic.org during a 24-hour period on #GivingTuesday, November 28, and during the Advanced Giving Day phase beginning at 12:00 AM on Monday, November 13 through 11:59 PM on Monday, November 27. Offline gifts of cash and checks are encouraged and given directly to the organization of the donor's choice during this same period.

In 2022, the eighth year of the campaign raised \$18.5 million! 42,286 donors in all 50 states and 19 countries contributed to benefit over 1,600 Catholic parishes, schools, and nonprofit ministries through #iGiveCatholic.

On #GivingTuesday, let's unite our community to share our gifts lovingly in justice with others and return them with an increase to the Lord!

Parish/School/Ministry FAQs

What is #iGiveCatholic?

#iGiveCatholic is a Giving Day that provides Catholic parishes, schools, and ministries in participating Arch/Dioceses/Foundations across the country the opportunity to connect with current donors and establish relationships with new supporters.

It is also an opportunity for Catholics to affirm our faith as disciples of Jesus Christ by sharing our gifts out of gratitude and love for one another. The goal of **#iGiveCatholic** is to inspire the Catholic community to come together as faithful stewards and to "Give Catholic" on #GivingTuesday, a global day dedicated to generosity and kindness.

When is #iGiveCatholic?

#iGiveCatholic takes place on #GivingTuesday, November 28, from 12:00 AM to 11:59 PM. There is also an *Advanced Giving Day* phase (acts like a silent phase of a capital campaign) for online and offline "pre-Giving Day" gifts running from 12:00 AM on Monday, November 13 through 11:59 PM on Monday, November 27.

Why host a day of Catholic giving on #GivingTuesday?

We have a day for giving thanks. We have two for purchasing gifts for loved ones—Black Friday and Cyber Monday. And for the eleventh year, we have #GivingTuesday, a global day dedicated to generosity. On Tuesday, November 28, individuals and organizations around the world will come together for one common purpose: To celebrate kindness, live generously, and to give back.

How does #iGiveCatholic work?

#iGiveCatholic works with the Giving Day platform from Bonterra (formerly GiveGab) with searchable profiles of participating parishes, schools, and ministries affiliated with the Diocese of Lafayette and 40+ participating arch/dioceses/foundations nationwide or through the National Ministries and Catholic Education sections of the site. All online donations will be processed through iGiveCatholic.org. Anyone can donate to his or her favorite ministry during the Giving Day or Advanced Giving Day phase either online through the platform, or offline by gift of cash or check given directly to the chosen ministry(ies). Participating organizations can track event progress in their Giving Day dashboard throughout the campaign and donors can track an organization's progress via leaderboards scrolling with each donation on #GivingTuesday, November 28.

QUESTIONS?

Laurie M. Suire
at 337-261-5546 or LSuire@diolaf.org

Who is Bonterra?

Bonterra (formerly GiveGab) is the Giving Day platform provider for the #iGiveCatholic Giving Day. They also provide the technical support and assistance for you and your donors before, during and after the Giving Day.

What organizations are eligible to participate in #iGiveCatholic?

All 501(c)3 parishes, schools, and Catholic-serving ministries affiliated with our diocese are eligible to participate in the #iGiveCatholic Giving Day. Please contact the person listed at the bottom of this page for more information.

What does it cost a parish/school/ministry to participate in #iGiveCatholic?

The set-up cost for your organization has been paid by the Diocese of Lafayette. #iGiveCatholic is our gift to you and the community. There are costs to doing business online as is common with expenses for in-person events. All online gifts are subject to a 5.8% + \$.30 transaction fee to cover credit card processing, technical support and marketing materials. Over 74% of donors opted to pay these fees in 2022, meaning for every \$100 an organization was donated, they received \$98.79. Offline gifts incur no transaction fee and should be entered into the dashboard so donors can see their gift impacting your total.

How do I register my organization to participate?

Online application for participation opens on **August 14**. Eligible organizations in our diocese must enroll by following instructions in an email sent to you from our Office of Stewardship and Development on **August 14**. *Be sure to follow all directions, and click the "Apply Now" button on the home page of that site!*

Once you answer the registration questions and click to apply for participation, you can enter your "Admin Dashboard" on Bonterra's site to begin customizing your #iGiveCatholic profile. Your application will be reviewed within a few working days.

Online registration will close **November 3**. *If your organization does not wish to participate in the giving day, please let our diocesan point person know ASAP or by that date.*

"How-to" articles on registering and completing your profile are located on the Resources page and throughout Bonterra's support center. We also recommend asking questions through the blue chat bubble in the bottom right-hand corner of the [iGiveCatholic.org](https://www.igivecatholic.org) website (be sure to include your email address), or email your question to questions@igivecatholic.org.

How will organizations train?

Two live national training webinars will be provided, both at 2:00 pm Central... one on **August 22**, and one on **November 8**. You must register for these webinars on the [Trainings page](#) of the 2023 #iGiveCatholic site. Additionally, a series of recorded webinars will be maintained on the [iGiveCatholic.org](#) Trainings page. We strongly advise that you and your volunteers participate in or view these webinars as they will guide you to a successful giving day. **Local in-person training will be offered on August 31st at 10:00 a.m. at the Diocese of Lafayette for new participating organizations or those with new coordinators. Please contact your point person listed below for more information.**

When will my organization receive our donations?

The Diocese will disburse your donations via check within 30 days of the giving day.

Does my organization need to send tax letters to donors for their gift?

Online donors immediately receive a tax receipt via email from **#iGiveCatholic** confirming their gift. Offline donors will need to receive their receipt from your organization. Note that all donations must be 100% tax deductible (no additional benefits.) However, this tax receipt is not a "thank you," and your donors want to hear from you! By registering to participate in **#iGiveCatholic**, organizations agree to thank donors within seven working days. Participants may contact donors through any medium they like, including thank you letters, phone calls, or social media "shout outs."

Will my organization receive donor information for acknowledgements?

Yes. You will have access to all donor information (unless they have elected to remain anonymous) **during the giving day period and indefinitely after the day** via a donations table that can be found under the Donations tab in your Giving Day dashboard, and then downloaded to a CSV file. To log in to your dashboard, go to [iGiveCatholic.org](#) and click "Menu" in the top right hand corner of the page. A drop down will appear—click "**Log In**" to enter your email and password. For a step-by-step guide to post giving day success, click to read a [support article here](#).
