Journal prompts

A Jubilee Year pilgrimage, whether to Holy Lands and Holy Doors abroad or Holy Sites in the Diocese of Lafayette, is a significant spiritual journey. Your reflections should capture both the physical and spiritual aspects of the experience. These prompts can help you not only document your pilgrimage but also help you process the depth of the experience in a meaningful way.

HELPFUL JOURNAL PROMPTS

- **Sacred Moments:** Reflect on a moment during your pilgrimage when you felt closest to God or had a deep sense of peace. What was happening around you, and how did it impact your faith or perspective?
- **Personal Transformation:** How have you changed throughout your pilgrimage? Have there been any insights or shifts in your thinking, beliefs, or approach to life and faith?
- **Scripture and Prayer:** Did any particular scripture or prayer resonate with you during your pilgrimage? Why did it stand out, and how did it speak to your journey or experiences along the way?
- **Community and Fellowship:** If you've made your pilgrimage with others, how have your fellow pilgrims impacted your journey? Reflect on moments of shared prayer, support, or challenge.
- **Gratitude and Blessings:** What are you most grateful for as you look back on this pilgrimage? What blessings have you received, either physically, emotionally, or spiritually, that you will carry forward in your life?
