

THE THREE DOORS *of Prayer*

ASK

Write down one specific need, hope, or question you want to bring to God today.

SEEK

Spend a few minutes reading a short passage of Scripture related to your need, and note any word or phrase that stands out.

KNOCK

In prayer, imagine standing before a door and placing your request into God's hands. Picture Him opening the door and welcoming you in.

Keep the paper with your request in your Bible or prayer journal, revisiting it later to see how God has responded.
