A MESSAGE FROM FATHER PAT

Dear St. Pius X Community,

Confirmation was amazing. Bishop Mike did a great job with our youth and challenged all of us to live better lives in line with the Gospel and to truly be that presence of God to all peoples. His call was to take our faith and religion seriously.

The MyParish App launch seems to be off to a good start. We are almost at 275. That might seem good, but with about 800 families that participate and each family having at least two phones, I am thinking we should be much closer to 1000. You can text 88202 with app in the message and a link will be sent. You can scan QR code later in bulletin. You can go to the App Store or Google Play and download the app from there. If you come into the office for help, please bring your passwords so that we can help you! We still have work to do, but people seem happy and things seem to be going well. It will take some time to get all the group requests processed, so please be patient. Thanks for helping with this effort to draw us closer together.

Things are happening! That is maybe an understatement. I think I am setting a record for number of graduation events that I have been to with more to come. As school year programs come to a close, summer ones start. Summer Fun registration is still open. They still have lots of room. \$165 a week seems almost too good to be true. It is a great deal open to ALL! So spread the word and tell your friends and neighbors about this great program. Direct all questions to Coach Stacie! Stephanie is getting more summer stuff going. We have Steubenville Lonestar coming up in a few short weeks. Even I can't wait for that one. We will be having breakfast after the Friday morning Masses with all teens that want to come to Mass. Movies will continue through the summer (may even be a Greatest Showman sing along.)

We have a parish school. It is all ours and we support it 100% as one of our ministries and services to the community. That said, we have room for about 100 more students. Our Iowa results showed our students at least a grade level ahead and the 8th grade tested at a 12th grade level. Take the

amazing education, our new STREAM lab and the fact that faith is essential to all we do, we should be the best option for most students. If money is an issue, come see me. I will give you ½ off first semester and ¼ off second semester next year to make it easier to try an amazing Catholic school. Help us as we are building future leaders for Christ. Our world needs them.

For those of you who are interested in serving our parish as a member of the new Stewardship Committee, we are having an information/training session on Saturday, June 9, at 9:00 AM in the Family Center.

In Him,

Fr. Pat

THE MIRACLE WORKER OF PADUA SAINT Anthony

**Tuesday, June 5, 2018
St. Pius X Catholic Church
Msgr. Martin Family Center

The Franciscans came here 300 years ago to bring the faith to the native people. They were fulfilling the mandate to "go therefore and make disciples of all nations." This is the first feature length dramatic film on the life of St. Anthony of Padua, one of the most popular saints in Christian history, and one who is even revered by Muslim and Hindu communities. It is in Italian with English subtitles and is 95 minutes in length. The film is not rated but recommended for teens to adults. The showing is being hosted by the WSPX Spirituality Committee. Desserts, coffee and water will be served.
