

St. Pius X Confirmation

Our confirmation program is unique and allows us to meet our youth wherever they are in their journey with Christ and walk alongside them towards Heaven. Our goal is to provide teens with the means necessary to grow in authentic friendship with the Holy Trinity that doesn't end the night they are confirmed. The program consists of 2 years of preparation with the culmination of the youth receiving the sacrament of Confirmation. Each year there are a series of requirements as well as several one-time requirements.

The pre-program requirements are things that must be completed prior to the start date of the program. These include:
