Class Picture Day and Individual Retakes

Our students will take their class pictures (Full Dress Uniforms) and individual retakes on November 12, 2025. Parents may order using the Lifetouch code that was emailed on October 24, 2025.

Notes from the Nurse's Office

Students must have a medication release form on file in the school clinic for ANY medication (including cough drops and ointments) to be administered at school. This form is required by the archdiocese and St. Pius X Catholic School. The form must be filled out each school year and signed by the health care provider and parent/guardian. Please return the form along with the medication required to the school clinic/school office.

If an individual is sick, he or she should isolate at home. If the individual has a fever or symptoms have not improved, he/she should continue to stay home until the fever resolves and symptoms improve. The individual should be fever free (without medication) for at least 24 hours before returning.
