Are you wondering if your family should apply for the Education Savings Accounts (ESAs) even if you're not in a priority group? The answer is YES!

Every child eligible for public school (PreK—12th grade) can apply. If funds run short, priority groups are considered first—but all families are welcome in the process. Catholic schools will walk with you to find the right path for your child: <https://archsa.org/catholic-schools/esa/> .

Middle School Field Trip

Our Middle School students visited Little Flower Basilica for the Veneration of the St. Thérèse of Lisieux relics

St. Thérèse of Lisieux lived humbly and simply, placing her confidence in God. In 1895, at the direction of her superiors, she began writing the story of her life from childhood. When her poems, prayers, letters, religious plays, and her last conversations, noted by her sisters, were collected with her autobiographical manuscripts and published the year after her death, it became one of the most popular spiritual autobiographies ever written. The book, now known as *The Story of a Soul*, has inspired millions of faithful around the world.

She passed away from tuberculosis on Sept. 30, 1897. She was 24.

Pope St. John Paul II declared St. Thérèse the 33rd Doctor of the Church on Oct. 19, 1997. She is the youngest and the third woman to be so honored.

Class Picture Day and Individual Retakes

Our students will take their class pictures (Full Dress Uniforms) and individual retakes on November 12, 2025. Parents may order using the Lifetouch code that was emailed on October 24, 2025. If you had bought an individual package and do not like the picture of your child, you will need to return that packet to have their picture taken again. The same package will be sent home with the new picture.

STREAM Projects

Our 2nd graders drew pictures and then our middle school students used a coding program to bring their designs to life using our 3-D printers.
