A message from the School Clinic

Please remember to complete a medication form for your student(s) to receive any medications during the school year. [School Clinic | St. Pius X Catholic School | San Antonio, TX \(spxsa.school\)](https://spxsa.school)

In order to be compliant, we must receive proof of the required immunizations for all of our students. If a student does not meet this requirement, we cannot allow the student to attend school. Many of our students will be receiving immunizations during the summer, please email [Mindy Hughes](mailto:Mindy.Hughes@spxsa.school) or drop off a copy of your child's updated immunization records to the School Office. Thank you.

Looking for volunteers

What: New mulch is being delivered for our playground—and it needs to be spread.

Where: SPX Playground

Who: Adults and older students (ages 11+)

When: Saturday, August 2 at 9:00 AM

Bring: Shovels, rakes, and wheelbarrows (if you have them) to help move the mulch more efficiently.

This is a great opportunity to earn **school or youth group service hours**. Please note: For safety reasons, **no children under the age of 11** should attend, as large equipment will be in use.

As Nehemiah 3 reminds us, many hands make light work. Thank you in advance for your time and support!

Sports Notes from Coach Bell

I would like to extend my sincere thanks to Maria Rodriguez (SPX Parent) for reaching out to me over the weekend with valuable information.

She informed me that a recently closed charter school had donated a substantial amount of gently used athletic equipment to Habitat for Humanity.

This equipment, which would have cost over \$20,000 if purchased new, will greatly benefit our football, soccer, golf, and track programs.
