Bluebonnet Breakfast

We had 25 Bluebonnet Breakfast attendees last week. In total, SPX students read over 240 Bluebonnet books! This group of kids had to read at least 5 Bluebonnet books to be invited to breakfast and many of them read closer to 10. And one of our students read and logged the most Bluebonnet books of the year - 14 books!

The Texas Bluebonnet Award reading list is an annual list of 20 high-quality children's books selected by the Texas Library Association for students in grades 3-6 across Texas to read and then vote on their favorite, with the winning book receiving the Texas Bluebonnet Award.

The online application for TEFA opened on **February 4, 2026** and will close on **March 17, 2026**

I've already completed my TEFA application. Can I update the information I submitted?

Yes. You may update submitted information until 11:59 p.m. CT March 17. Log in to the [Odyssey platform](#) and find the "Application History" section to edit your application.

How do I find my child's Texas Student Unique Identification (UID) Number?

The simplest way to look up your child's UID is with [this tool](#) provided by the Texas Education Agency (TEA). This will allow us to match their records to an Individualized Education Program (IEP) on file with TEA, if one exists for the 2023-24, 2024-25 or 2025-26 school year. Please note that a student may have a UID but not have a current IEP on file.

If your child has a disability but does not have a current IEP on file, you can upload an older or out-of-state IEP or a [TEFA Disability Certification Form](#) to ensure their application is prioritized.

I have two children. One is enrolled in a K-12 school. The other is old enough for pre-K. Can both sign up for TEFA?

Yes, but pre-K students must meet different eligibility criteria. Texas children are eligible for free pre-K if they meet the age requirements and one or more of the following apply:

- They are unable to speak or comprehend the English language.
- They are eligible to participate in the national free or reduced-price lunch program.
- They are homeless.
- They are the child of an active-duty member of the armed forces of the United States, including the state military forces or the reserves.
- They are the child of a member of the armed forces of the United States, including the state military forces or the reserves, who was injured or killed while serving on active duty.
- They are or ever have been in foster care.
- They are the child of a peace officer, firefighter, or emergency medical responder seriously injured or killed in the line of duty and received the Star of Texas Award.
