Fundraising

- Discussed not continuing Fiesta Medals for next year, but would still like to do something for Fiesta
- Krystallyn Wylie is still slated to lead fundraising efforts for Box Tops, but we also discussed utilizing the Social Media Committee to create a "reel" on how to redeem Box Tops. We also discussed creating a one-page "how-to" to distribute at a resource table during the open house or back-to-school picnic. To incentivize, we discussed tying back to service hours and creating a competition for classes.
- Spirit items need to be organized to determine the current stock. We will need these items for the back-to-school picnic

Halloween Carnival

Chair- Nataly Lopez

- Need to create a committee to plan the Halloween carnival
- 8th-grade room parents and students will continue to be responsible for setting up and working the haunted house.
- Discussed changing the layout of the carnival, moving the HH to the cafeteria, and having the food in the foyer.
- Discussed how we can tie in the literary pumpkins to this event. Also discussed a lip-sync competition and a costume exchange, where parents can donate costumes or find a new one. This was also proposed as an NJHS initiative that would promote agency among our students
