4th Grade Science Class

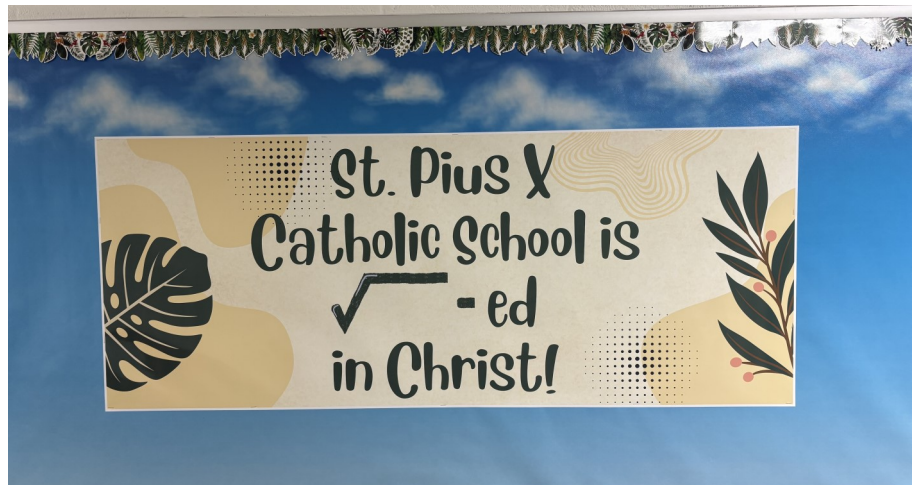

Mrs. Cabello's 4th grade students are learning about one of the physical characteristics of matter which is... mass. What is mass, you ask?

Ask a 4th grader!

Such a clever way for Middle School Math to display our school theme!

"So, as you received Christ Jesus the Lord, walk in him, rooted in him and built upon him and established in the faith as you were taught, abounding in thanksgiving." Col. 2:6-7

1st Grade Science Class

During Science, Miss Irizarry's First Graders are learning about Properties of Matter. They learned that matter is anything that takes up space and that matter can be sorted by different properties like size, color, shape, and texture.

Middle School Sports Teams Picture Day

Studio Benton is bringing high-fashion, pro-level sports photography to your middle school athlete on September 1, 2026, at 2:45pm. That day is a practice day for all middle school athletes, and the pictures will be taken before practice.
