A Message from our School Nurse

Parents:

In order to be compliant, we must receive proof of the required immunizations for all of our students. If a student does not meet this requirement, we cannot allow the student to attend school.

Many of our students will be receiving immunizations during the summer, please email [Mindy Hughes](mailto:Mindy.Hughes@spxsa.school) or drop off a copy of your child's updated immunization records to the School Office. Thank you.

How do I...

Drop off and pick up my student?

Our school day begins at 7:50am and ends at 3:15pm. Teachers are on campus starting at 7:10am and our PreK3 and PreK4 students may be walked directly to their classrooms, while our Kindergarten through 8th grade students may be dropped off in the SPX Gym between 7:10am and 7:40am. At 7:40am, their teachers will walk them to their respective classrooms. Before school care is included in the annual tuition. After 7:40am, students are dropped off in the School Office (Robin Rest) to walk down to their respective classrooms. **Due to our SPX Church construction, some dismissal/pick up procedures may change during the school year.**

At 3:15pm, our students are dismissed from our SPX Gym.

Parents are welcome to use our car line (**you must stay in your car at all times in the car line**). In the case of long lines, the car line “wraps” around 5 Oaks Drive. If you prefer to drop off or pick up via walking, you may park in the SPX Church parking lot and walk to the courtyard/cafeteria door (across from the Family Center) to drop off/pick up your student(s).

We offer an Extended Day program which is an extension of the school day until 6:00pm. Students who are not picked up by 3:30pm will be sent to our Extended Day program. On Early dismissal days, students who are not picked up by 12:15pm will be sent to Extended Day.

What about school uniforms?

For the sake of uniformity, all school uniforms are to be purchased at [FlynnO'Hara](#). They are an **approved TEFA vendor**, **see our school website for more details.**

Socks and **solid black shoes** of the appropriate styles may be purchased at any location. See link for our uniform guidelines: [Click here for St. Pius X Uniform Information](#). Used Uniforms are available in the Rebel Closet at SPX, there is no charge, but donations are always welcome.

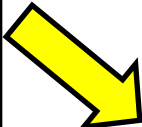

What is Spirit Dress Day? Once a month, usually the last Friday of the month, St. Pius X Catholic School celebrates by having a Spirit Dress Day. Students and staff are allowed to wear a SPX spirit shirt and blue jeans. If the weather is too warm for jeans, students will wear their uniform bottoms with their Spirit shirt. Students will wear any color tennis shoes (or their school shoes) on Spirit Dress Days. SPX Spirit shirts are available from the St. Pius X PTC. Students may also wear their SPX CYO shirt.

School Mass:

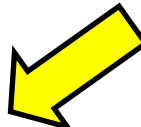

Our first School Mass for the 2026-2027 school year will be held on Wednesday, August 19, 2026 at 8:15a.m. Grades Kindergarten through 8th will attend. Our **PreK-4** students will join us at Mass after Labor Day, while our **PreK-3** students will be joining us at Mass in January of 2027.

Our regular weekly Mass days are **every Wednesday at 8:15am**. Parents and family are always welcome to join us at Mass. Students are required to wear their Full Dress Uniform on Mass Days.

Each week, a different class will take turns leading the Mass. It's so wonderful to see all of our students become leaders at Mass, even our littlest students will be able to participate.

What is SMART Families?

- **Prioritize Your Family and Your Values**
- **Delay Smartphones Until High School**
- **Delay Social Media Until 16**
- **Commit to a Phone-Free School Day**

At our school, we want students to grow academically, socially, and personally. That means creating an environment where they can focus on learning, build meaningful relationships, and develop the skills they need to thrive. Smartphones can support those goals, but they can also interfere when they displace attention, conversation, sleep, creativity, and time together as a family.

That is why we are proud to continue our partnership with Smart Families.

Our partnership continues to be built around four shared norms:

Prioritize your family and your values.

Delay smartphones until high school.

Delay social media until age 16.

Commit to a phone-free school day.

Many families in our community have already taken meaningful steps toward these goals. You have established new boundaries at home, had important conversations with your children, and encouraged other families facing the same pressures. These efforts matter. They show our students that today's smartphone culture is not inevitable and that our community can choose a different path.

But lasting change requires all of us. Lasting change only becomes possible when families and schools work together as a community.

Throughout the year, we will continue to receive educational presentations for teachers, parents, and students, along with newsletters, online talks, and other resources from Smart Families. We encourage you to participate, continue these conversations at home, and connect with other families. This is not about rejecting technology. It is about using it with greater wisdom and ensuring that it serves our children well.

This year, let us build on the progress we have already made. We do not have to accept today's smartphone culture as inevitable. We can choose a different path—one that protects childhood, strengthens families, and gives students more freedom to learn, grow, and connect.

The tools are here. The path is clear. The time is now to make a change. We invite every family in our community to take the next step with us! Help us to **Build Leaders for Christ!**
