

DEPAUL COMMUNITY HEALTH CENTERS

4/6/2020

Dear School Leader,

DePaul Community Health Centers (formerly Daughters of Charity) is offering telehealth/telepsychology to continue servicing students and to address the growing need for quality mental health services during this crisis. Telehealth/Telepsychology is the use of digital information and technologies, such as computers and mobile devices, to access and provide healthcare. Interested individuals may contact Domonique Lemieux, Domonique.Lemieux@dcсно.org for more information about this service.

Regards,

DLemieux, LPC-S
