## The Power of Obedience

Español

Dear Friend in Christ,

Jesus "uphold[s] the universe by His word of power," we read in the Letter to the Hebrews (1:3). Nonetheless, the All Powerful Son "learned obedience through what He suffered and . . . became the source of eternal salvation to all who obey Him" (5:8-9).

St. Philip Neri learned this great lesson of the Cross and passed it on. "Obedience is a short cut to perfection," he wrote. "There is nothing which gives greater security to our actions or more effectually cuts the snares the devil lays for us than to follow another person's will, rather than our own, in doing good."

In Christ Jesus,
