Let us recognize that God is tangible, he is not abstract but has a name: "God is love". His is not a emotional, sentimental kind of love but the love of the Father who is the origin of all life, the love of the Son who dies on the Cross and is raised, the love of the Spirit who renews human beings and the world. Thinking that God is love does us so much good, because it teaches us to love, to give ourselves to others as Jesus gave himself to us and walks with us. Jesus walks beside us on the road through life.

World Day of Migrants & Refugees (WDMR):

MIGRANTS
REFUGEES

BUILDING THE FUTURE WITH
MIGRANTS AND REFUGEES.

In order to walk together towards
the WDMR, which will be
celebrated on Sunday, September

25, 2022, the Migrants and Refugees Section (M&R) is setting up an itinerary that begins with the Holy Father's video message, where he emphasizes the fact that a better future is only possible if it is achieved together with the most vulnerable. Pope Francis reflects on the sub-theme "a future to build together" and involves us by directly asking us a question: How can we build a future where everyone lives in peace and prosperity? We are all invited to respond to Pope Francis' question. Send your own contribution by emailing a short video or photo to media@migrants-refugees.va, or follow them on social media (bottom of the page [here \[https://migrants-refugees.va/\]](https://migrants-refugees.va/)) and reply directly to the question posted on it. The best answers will be part of the campaign.
