Third Sunday of Easter

**ENCYCLICAL OF POPE PAUL VI  
ON PRAYERS DURING MAY FOR PRESERVATION OF PEACE**

APRIL 29, 1965

1. The month of May is almost here, a month which the piety of the faithful has long dedicated to Mary, the Mother of God. Our heart rejoices at the thought of the moving tribute of faith and love which will soon be paid to the Queen of Heaven in every corner of the earth. For this is the month during which Christians, in their churches and their homes, offer the Virgin Mother more fervent and loving acts of homage and veneration; and it is the month in which a greater abundance of God's merciful gifts comes down to us from our Mother's throne.

2. We are delighted and consoled by this pious custom associated with the month of May, which pays honor to the Blessed Virgin and brings such rich benefits to the Christian people. Since Mary is rightly to be regarded as the way by which we are led to Christ, the person who encounters Mary cannot help but encounter Christ likewise. For what other reason do we continually turn to Mary except to seek the Christ in her arms, to seek our Savior in her, through her, and with her? To Him men are to turn amid the anxieties and perils of this world, urged on by duty and driven by the compelling needs of their heart, to find a haven of salvation, a transcendent fountain of life.

**A Time For Special Prayers**

3. Because the month of May is a powerful incentive to more frequent and fervent prayers, and because our petitions more readily find access to her compassionate heart during it, it has been a favorite custom of Our predecessors to choose this month, dedicated to Mary, for urging the Christian people to offer up public prayers whenever the needs of the Church demanded it or some grave crisis threatened the human race. This year, Venerable Brothers, We in turn feel compelled to call for such prayers from the whole Catholic world. Looking at the present needs of the Church and the status of world peace, We have sound reasons to believe that the present hour is especially grave and that a plea for concerted prayer on the part of all Christians is a matter of top priority.

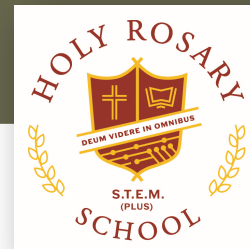

.....

12. May she who experienced the cares and hardships of earthly life, the weariness of daily toil, the hardships and trials of poverty, and the sorrows of Calvary, come to aid the needs of the Church and the human race. May she graciously lend an ear to the devout pleas of those all over the world who beg her for peace. May she enlighten the minds of those who rule nations. And finally, may she prevail on God, who rules the winds and storms, to calm the tempests in men's warring hearts and grant us peace in our day. What we seek is true peace grounded on the sturdy foundations of justice and love—on a justice which recognizes the legitimate rights of the weak as well as those of the strong; on a love which keeps men from falling into error through excessive concern for their own interests. Thus each person's rights may be safeguarded without the rights of others being forgotten or violated.

The encyclical is rather short—just a few pages. I would encourage you to read the rest of it. Unfortunately some things haven't changed. Our world is still in need of peace, torn as it is by poverty, violence, hatred and many forms of war. I would echo to you Blessed Pius VI's invitation to turn to our Blessed Mother with a renewed devotion—she who is patroness of our community, and the Queen of Heaven and Earth—as we ask for her assistance in our great need.

**Celebrating Mary in May:** Pray as a family or individually; the Rosary—whether just one decade, or a full set of five decades; the Angelus or the Regina Coeli (during the Easter Season) - traditionally at 6am, 12pm and 6pm—or anytime; or any of the Litanies to Mary. Crown statues of Mary in your home with a small wreath of flowers (and Jesus too, if she is holding Him). Celebrate May 31st, the Queenship of Mary, with blue and white food, desserts or drinks!

## FREE Pancake Breakfast After Mass Today

As we prepare to graduate from Holy Rosary School, we are filled with appreciation for all of the prayers and support that we have received from the larger Holy Rosary community throughout our grade school years. We hope you will allow us to serve you a delicious pancake breakfast after mass today as a small token of our gratitude. We will be in the School Hall after the 8:30 and 10:30 masses. We hope you can stop over for some breakfast as our guests. *Thank You, The Holy Rosary Class of 2017*

## Looking into May. . .

Summer vacation is six weeks away and May is going to be a busy month! There are great field trips scheduled tied in with curriculum being learned in the classrooms:

- First grade visits the Woodland Park Zoo
- Second grade will drive out to Pioneer Farms
- Fifth grade will spend 3 days at Camp Seymour at an Environmental Sciences Camp.
- Sixth grade will visit Miracle Ranch overnight working on empathy and team-building skills

Inside the classroom, 1<sup>st</sup> grade will begin a popular STEM unit creating a paper model of a small family farm, 4<sup>th</sup> grade will be finishing up their Flat Stanley projects, 6<sup>th</sup> grade will put on their Wax Museum, portraying different Greek deities. The ever-popular talent show will make its debut in mid-May, where students in grades K-8 showcase musical, acrobatic, theatrical, and comedic skills for their classmates. And, 4<sup>th</sup> grade will put on a special bake sale and donate its proceeds to a local charity.

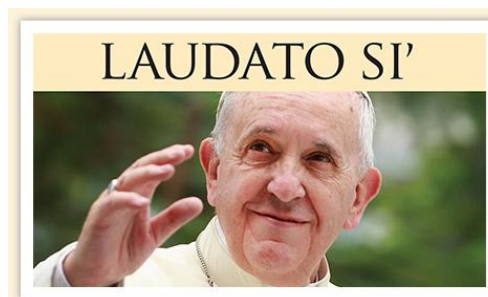

We are still accepting applications for our 2's preschool class, and Pre-Kindergarten class. We have our Preschool Open House taking place from 12pm-2pm on Sunday, (April 30<sup>th</sup>). We hope to see you there!

At Holy Rosary School, tradition and innovation converge to provide a leading-edge education that is grounded in the Catholic faith. For more information, contact the School Office at: 206-937-7255 or [admissions@holynosaryws.org](mailto:admissions@holynosaryws.org).

## PARISH & COMMUNITY NEWS

### Online Giving

We will be discontinuing our relationship with Vanco Payments next month. If you currently contribute online with Vanco, you will need to set up a new account with "Our Sunday Visitor" and re-enter all of your giving preferences. It's easy! Just go to [holynosaryseattle.org](http://holynosaryseattle.org) and click the "Support Us" button, which will take you directly to the OSV site. Why not take care of it today so that your contributions will continue without interruption! If you have not yet signed up, please think about it! Online Giving helps you maintain your giving even if you cannot be here at Mass. This also helps the parish streamline our cash flow, especially during bad weather or vacation times.

### A weekly tip on Caring for Our Common Home

Make it a priority to increase your use of public transportation. Buses and light rail are operating anyway, so making use of them instead of your car -- even just two or three times a month -- is a step in reducing emissions and congestion. You might find it easy enough to do even more often.

## Children's Choir Welcomes All Second Graders to Sing on Mothers' Day!

Every year, the Holy Rosary Youth Choir for students in grades 3-5, welcomes **Second Graders** into the choir to sing for Mothers' Day! It is exciting and fun to see and hear all the new young singers learn about choir and the joy of singing together! And then even more fun to have them sing for their moms on Mothers' Day! The Choir will sing at the **10:30 Mass on Mothers' Day, Sunday, May 14.**

Rehearsals are after school in the chapel on Wednesdays: May 3 and 10, from 2:30-3:15 and before Mass Sunday morning (May 14) in the chapel at 9:45am. No cost for Second Graders to participate. Donations always welcome. To have your Second Grader sing on Mothers' Day, please **register online** on the Holy Rosary Parish website: [holyroaryseattle.org/youth-choir](http://holyroaryseattle.org/youth-choir). Arrangements can also be made if there is a Wednesday rehearsal conflict.

### Hope and Healing After Abortion

*"My wife and I are closer after this [retreat] experience. I have a better understanding of my wife and the emotions she has wrapped up in the decision we made. I met some truly wonderful people who shared their stories of sadness. I was able to take away a feeling of love and understanding that I did not think possible."*

### Reflection: To Proclaim the Gospel

I know well what this word apostle means and all the obligations it creates. First, the necessity of an interior life that becomes stronger all the time, of drawing more than ever charity and gentle serenity from the Eucharist and from prayer, as well as making wholly spiritual intentions. Then, to cultivate my own mind systematically, to increase my knowledge of all those subjects that I am ready [to] learn; to do nothing precipitously or superficially; to achieve, as much as possible, competence in the subjects I study. To transform and make this intellectual effort holy through a spiritual motive, doing it humbly without any self-centeredness, but exclusively to help others. To bring to all conversation and discussion a tranquil spirit, a firmness, and a friendliness that will eliminate bitterness or irritation from the opponent's mind; never to give in where principles are concerned, but to have extraordinary tolerance for people. Above all, to try, after discovering the opening, to present the divine, unchanging Truth to each one in such a way as to make it understood and loved.
